DEDICATION

This Annual Report is dedicated to Robert E. Bailey who will not seek a fifth term as Selectman. He is retiring from office after serving a total of twelve years. His first term began in March of 1973. He served two terms, took a three year hiatus, and has now served another two terms.

We acknowledge and thank him for his devotion to the Town of Northwood, and for the numerous hours he has donated to our community.

Mr. Bailey's years of service as the Selectman's representative on the Planning Board have given the Town knowledge and expertise that has been invaluable.

All those who know Bob realize that his manner, sensitivity, sincerity, understanding and good nature combine to make him an outstanding citizen.

We wish him well as he begins to enjoy a few leisure hours with his family now that many evening meetings are behind him. We know he will remain an active member of our community and we will welcome his involvement again in the future.

		<u>For Recreation Commission (1 yr.)</u>	
		* Mari Samuels Arsenault	38

Questions:

1. Shall we adopt an ordinance requiring subdivisions of ten or more lots to comply with water supply standards as determined by the Northwood Fire Department?

YES -- 316

NO -- 129

2. Are you in favor of amending Article II, Section B.4 to N.H. RSA 149-E:3-c&d, relative to expanding and/or converting usage from seasonal to year-round, and selling of waterfront property?

YES -- 225

NO -- 163

ANNUAL TOWN MEETING

The annual town meeting was held at Coe-Brown Northwood Academy on March 18, 1989. Moderator Robert A. Johnson called the meeting to order at 9:20 A.M. He read the opening of the warrant and then John Lane moved that we suspend reading the entire warrant as each article would be taken up individually and read at the time. John Straughan seconded the motion and motion passed by a voice vote.

The Moderator read a notice from the Rescue Squad asking for volunteers and telling of a sign-up sheet for a first aid course they were offering.

Mr. Johnson read a letter from Volunteer Services at the Rockingham County Home, citing Laurena Feole for her unusual service to the County Home. Last year alone, she had given 1,424 hours of service. A letter will be sent to her from our Town to congratulate her.

Because of a ruling by our town counsel, articles 3,4,6 and 7 which had appeared on the ballot last Tuesday were not acted upon that day and shall be taken up first today. These are on page 18 of the Town Report.

ARTICLE 3 (of Tuesday Warrant): Harry Ring moved that the Town adopt an ordinance enabling the Northwood Fire Department to determine whether an exterior key box is required for access to a commercial structure or area. Charles Johnson seconded. Mike Hoisington explained the security of these boxes and their value to obtain access when the owners were not available. Mr. Colby felt that the School trustees would not want all their interior keys to be left in the box. After many questions, Douglas Dimes said they use the system at their shop and are satisfied with it, but he felt no one should be compelled to install the boxes. Motion defeated by a voice vote.

ARTICLE 4: Harry Ring, Director of the Office of Emergency Management moved that the Town adopt the proposed ordinance to establish the Office of Emergency Management. Robert Tomasello seconded. They explained that the Federal government has eliminated the office of Civil Defense and replaced it with this, plus adding some increased responsibility. There would be no further cost as there is \$3,650.00 already in the budget. Motion to be adopted by a show of hands; Yes - 94 and only one or two No.

ARTICLE 6: Donald Post moved that the Town rescind the establishment of the Northwood Police Commission as provided in RSA 105C:7 and 39:3. John Straughan seconded. Mr. Post feels that the Commission has been misusing their office by bickering and trying to take over the operation of the Police Department. Many residents asked questions about specific problems in the Police Dept. and their relation to the Commission. Mr. Bryant, one of the Commissioners, felt that there had been a personality conflict and because they were a new Commission and trying hard to learn, they

should be given another chance to try to succeed. Chief Jacobs said he feels the Commission has hindered the operation of his department. Linda Schlieder said that since the Selectmen had originally recommended a Police Commission, she felt that we should wait another year to decide this issue. The motion was defeated by a ballot vote; Yes - 85 No - 110.

ARTICLE 7: Arthur Slade moved that the Town adopt the following ordinance, "In accordance with RSA 31:39A: local officers and employees, whether elected or appointed shall be prohibited from taking part in a decision in which the officer or employee has a financial interest, direct or indirect, greater than any other citizen or taxpayer, or is related to any party involved." This ordinance to take effect immediately upon passage. George Stanhope seconds. Several asked for clarification about relatives, who would enforce this and whom it would include. Mr. Smart says it is an issue that should be dealt with but maybe this is not quite the way to do it. Motion was defeated by a show of hands Yes - 70 No - 87.

There was a lunch break at 12:00 noon. Coe-Brown boys' basketball team members served the lunch. Meeting reopened at 1:10 P.M.

ARTICLE 1: Robert Bailey moved that the Town raise and appropriate the sum of \$1,039,096.00 for the general Town operations. Jean Johnson seconds. This increase comes in an increase of \$1,000.00 for microfilming and \$3,000.00 more for tax anticipation interest. Questions were asked about the increased cost of Lamprey Regional Waste service. Richard Shaw moves to amend the article by adding \$11,725.00 to cover the cost of improving Old Turnpike Road by adding gravel and perhaps a culvert. William Johnson seconds. Others spoke of the deplorable conditions of West Street, Winding Hill Road, and the back roads in general. Mr. Bailey said they were hoping to get State aid for a new culvert so Mr. Shaw changed his amendment to read \$9,250.00. This amendment passed by a show of hands Yes - 76 No - 36.

Donald Post offered an amendment to add \$9,400.00 to Town Officers salaries. This was to give the Selectmen and the Supervisors of the Checklists an hourly increase to \$8.50 an hour, to make them compatible with the other town employees. Robert Bailey and Helen Johnson spoke in opposition to the amendment. The amendment failed on a voice vote.

Now the main motion as amended to \$1,048,346.00 was adopted by a show of hands Yes - 84 No - so very few. The vote was manifestly affirmed.

Mr. Bailey mentioned that the Conservation Commission would like to have the Land Management amount changed from \$2,500.00 to \$500.00, and the Conservation Fund changed from \$500.00 to \$2,500.00. Mr. Arter said since this was just a typographical error and did not change the total amount, no action was necessary.

ARTICLE 2: Harry Ring moved that the Town raise and appropriate the sum of \$1,100.00 for the purchase of a first line generator for the Fire Department. Robert Herron seconded. Motion was defeated by a show hands Yes - 55; No - 63.

ARTICLE 3: Robert Herron moved that the Town indefinitely postpone any action on this article. Clara Fife seconded. Motion to indefinitely postpone was adopted by a voice vote.

ARTICLE 4: Andreas Turner moved that the Town raise and appropriate the sum of \$24,000.00 for the purpose of continuing the development of Gulf Road. Robert Bailey seconded. He gave an explanation of the need for a second access to the area. Mr. Tomasello asked if the feasibility study done last year showed that we could not qualify for Federal help. Answer was yes. Mr. Arter worried about the conservation of natural resources of the area. Mr. Slade wondered if there might be another solution. Mr. Knox spoke in favor of the road that sometime in the future will probably have to be built. Motion was defeated by a show of hands Yes - 37; No - 55.

ARTICLE 5: Harry Ring moved that the Town establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of a fire truck and raise and appropriate the sum of \$10,000.00 to be placed in this Fund and to designate the Selectmen as agents to expend. Donald Post seconded. Jean Johnson pointed out that the last phrase is a change from the usual capital reserve fund procedure. Motion was adopted by a show of hands Yes - 74; No - 20.

ARTICLE 6: Jean Johnson moved that the Town establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of enlarging the Town Hall and raise and appropriate the sum of \$10,000.00 to be placed in this Fund and to designate the Selectmen as agents to expend. W.E. Bryant, Jr. seconded. Motion was adopted by a show of hands Yes - 53; No - 40.

ARTICLE 7: Robert Herron moved to indefinitely postpone any action on this article. Richard Wolf seconded. Motion was adopted by a voice vote.

ARTICLE 8: Joann Bailey moved that the Town raise and appropriate the sum of \$2,500.00 to be added to the Highway Equipment Reserve Fund previously established. Robert Madison seconded. Motion was adopted by a show of hands Yes - 51; No - 38.

Now a motion to reconsider ARTICLE 7 was made by Harry Ring who had voted with the prevailing side. Jean Johnson seconded. Motion to reconsider was tied by a show of hands Yes - 46; No - 46. A second count was taken. Motion to reconsider was adopted by a show of hands Yes - 57; No - 50. So now we reconsider Article 7.

ARTICLE 7: W. E. Bryant, Jr. moved that the Town raise and appropriate the sum of \$10,000.00 to be added to the Highway Safety Reserve Fund previously established. Jean Johnson

seconded. This fund is meant to be used when a new cruiser is needed. Motion was adopted by a Yes and No Ballot. Yes - 70; No - 62.

ARTICLE 9: Jean Johnson moved that the Town change the following reserve funds to designate as agents to expend: the Highway Safety - the Selectmen and Police Commission; the Highway Equipment - the Selectmen; the Ambulance - the Selectmen. Donald Post seconded. Mr. Post explained that this would be a way to get funds out of these Capital Reserve Funds if a need arose during the year without waiting for the annual Town Meeting. Mr. Behm felt that participatory democracy is fast going so we ought to keep what controls we can. Motion was defeated by a voice vote. There was some further move to discuss the issue until Mr. Foster moved to indefinitely postpone any further action on Article 9. Mr. Madison seconded. Motion was passed by a unanimous voice vote.

Mr. Jacobsmeyer realized that action we already took under Articles 5 and 6 give the Selectmen the right to expend these Funds but the Selectmen assure us they will not touch these Funds this year and action to change this can be taken at next year's meeting.

ARTICLE 10: Harry Ring moved that the Town raise and appropriate the sum of \$6,645.00 to be added to the Ambulance Capital Reserve Fund previously established, and to authorize the use/transfer of the December 31, 1988 fund balance for this purpose. Jean Johnson seconded. This money is already in the Town from billings received from the use of the ambulance. Motion adopted by a unanimous voice vote.

ARTICLE 11: Jean Johnson moved that the Town authorize the Selectmen to borrow money in anticipation of taxes. Robert Herron seconded. Motion adopted by unanimous voice vote.

ARTICLE 12: Jean Johnson moved that the Town create an expendable general fund trust fund under the provisions of RSA 31:190-a to be known as the Library Fund for those purposes which the Library Trustees shall deem appropriate to the care, upkeep and programs of the Town Libraries and:

- a. authorize deposits thereto from both public and private sources
- b. authorize the expenditure of both interest and principal
- c. designate the Library Trustees as agents to expend
- d. raise and appropriate the sum of \$2,202.00 to be taken from the December 31, 1988 fund balance for this purpose. (This sum having been raised by the Library Trustees in 1988 from the sale of telephone books and deposited with the Town Treasurer.)

Harry Ring seconded. Motion was adopted by a voice vote.

ARTICLE 13: Jean Johnson moved that the Town raise and appropriate the sum of \$3,500.00 to be added to the Library Fund established above, provided said sum is received from the New England Telephone and Telegraph Co. for an easement on Chesley Library property. Donald Post seconded. Motion adopted by unanimous voice vote.

ARTICLE 14: Jean Johnson moved that the Town raise and appropriate the sum of \$5,000.00 for the purpose of buying out the balance of the leases on the Merlin telephone systems now leased by the Town. Harry Ring seconded. Motion adopted by unanimous voice vote.

Jean Johnson moved that we adjourn this meeting to reconvene on April 1, 1989 at 9:00 A.M. at Coe-Brown Academy. Robert Tomasello seconded. Motion adopted by unanimous voice vote.

Moderator Robert Johnson warns that if there are errors or omissions in the articles remaining to please get them corrected or resolved before April 1. Robert Young, the newly elected Selectman, announced that the Selectmen's meetings will now be held on Monday evenings.

Moderator Robert Johnson opened the second session of the Annual Town Meeting on April 1, 1989 at 9:10 A.M. After admonishing us that the meeting would be a serious one despite the April Fool's Day date, he then produced a huge oversized rock maple gavel to prove his point. This gavel had been made for him in the spirit of the day by three young men, Douglas Dimes, Jamie Johnson and William Johnson.

ARTICLE 15: Charles Frary moved that the Town confirm the action of the 1978 Town Meeting, under Article 27 thereof, as amended, in removing the two Town-owned lots or parcels including the so-called Deslaurier Lot of 31.2 acres, more or less, which is Lot TN-5 Tax Map 8, and the so-called Ben Giles Pasture Lot of 36 acres, more or less, which is Lot 31 TN-7 Tax Map 5, from the Selectmen's list of Town-owned lands to be sold for taxes, all according to RSA 80:42-a. Joann Bailey seconded. Motion adopted by unanimous voice vote.

ARTICLE 16: Joann Bailey moved that the Town, pursuant to RSA 31:110 establish a Town Forest for the purpose set forth in RSA 31:111 by transfer of the following tracts or parcels of Town-owned land:

- a. The so-called Parsonage Lot, being Lot TN-6 on Tax Map 8, consisting of approximately 200 acres on the slopes of Saddleback Mountain.
- b. The unleased portions of the so-called School Lot consisting of approximately 20 acres on the northerly side of Lucas Pond Road, being Lot TN-1A on Tax

Map 1, and approximately 100 acres on the southerly side of Lucas Pond Road, being Lot TN-1 on Tax Map 1.

- c. The so-called Deslaurier (variously spelled) Lot, being Lot TN-5 on Tax Map 8, consisting of approximately 31.2 acres on Saddleback Mountain.
- d. The so-called Ben Giles Pasture Lot, being Lot 31 TN-7 on Tax Map 5, consisting of approximately 36 acres.

(Tracts A & B were set off to the Town when it was separated from Nottingham in 1773. Tracts C & D were acquired by Tax Collector's deeds and were removed from the Selectmen's list of salable tax title land to be retained and held for public use by vote under Warrant Article 27 at the 1978 Town Meeting pursuant to the authority of RSA 80:42-a.) Charles Johnson seconded. Charles Frary offers an amendment to insert after paragraph d. "In the event that income derived from the Parsonage or School Lots, so-called, is encumbered by State Law, Town Ordinance, or by Title Deed, then said income shall not be considered available for Town Forest utilization." Thomas Arter seconded. Mr. Frary explains that this is to allay any fears that any income would go to the Conservation Commission rather than to the Town as was previously the case. Mr. Post spoke in opposition as he feels the Selectmen should still have the right to oversee and control the land. Mr. Arter quoted from our Master Plan the four purposes for having a Town Forest: maintain the property, have multiple use management, maintain esthetic quality, and get sustained timber yield. Amendment passed by voice vote. Main motion passed by voice vote.

ARTICLE 17: Thomas Arter moved that the Town, pursuant to RSA 31:112,II, determine that the Town Forest is managed by the Northwood Conservation Commission. George Rogers seconded. Motion adopted by a voice vote.

ARTICLE 18: Charles Frary moved that the Town raise and appropriate the sum of \$2,000.00 for the purpose of maintaining the Town Forest. Joann Bailey seconded. Mr. Arter said this would be used to employ a professional forester. Mr. Dimes wondered if this might not be done by the State or County Foresters. It was explained that they no longer do this, but will help with a plan and recommend foresters to do the work. Motion was adopted by a show of hands, manifestly in the affirmative.

ARTICLE 19: Thomas Arter moved that the Town authorize the Conservation Commission to retain any unexpended portion of its 1988 appropriation (\$107.41). Said funds to be placed in the Northwood Conservation Fund in accordance with RSA 36 A-5 or take any other action relative thereto. Charles Frary seconded. Motion adopted by a voice vote.

ARTICLE 20: Thomas Kaufold moved to indefinitely postpone any action on this article. Robert Herron seconded. Motion adopted by a show of hands, manifestly in the affirmative
Yes - 64; No - 0.

ARTICLE 21: Robert Herron moved that the Town accept and approve the speed limit, warning sign and stop sign recommendations made by Chief Jacobs, along with the N. H. Road Agency as determined by their study done on January 27, 1989 and on record at the Selectmen's Office. (The maximum speed would be 30 MPH with lower zones in dangerous areas and around curves.) Thomas Kaufold seconded. Many spoke about the high rate of accidents on this loop of road, for many reasons. Mr. Foster says the Police need to have signs posted in order to enforce the speed limits. Motion was adopted by a unanimous voice vote.

Before the next article, a memo from the Northwood Police Commission was read as follows: "The Northwood Police Commission wishes to commend the Northwood Police Officers for their diligent work that resulted in the prompt apprehension of those involved with the fire at the Ridge School on December 19, 1989. Northwood is lucky to have such hard working and concerned police officers on the department."

ARTICLE 22: Thomas Kaufold moved that the Town raise and appropriate the sum of \$749.00 for the purchase of road signs (8 stop @ 15.50 each, 18 speed @ 12.50 each, 8 chevron @ 12.50 each, 9 diamond @ 7.50 each, 30 posts @ 5.75 each and bolts for 60) to be placed along Ridge Road, Sherburne Hill Road, Bow Lake Road, and their intersecting roads as recommended by the Police Chief and approved by the N. H. Road Agency. Mary Kaufold seconded. Mr. Foster voices concern about vandalism of these signs in the future, so feels they need to be installed well. True Chesley feels we ought to include all town roads. Donald Post moves to amend the motion by changing the amount to \$2,000.00 and add at the end this phrase, "and other town roads in like manner." Robert Herron seconded. David Foster thinks our Road Agent should be trained at least for one day by some State sign men in erecting these new signs. Amendment passed by a voice vote. Main motion passed by a voice vote.

ARTICLE 23: Mary Kaufold moved that the Town raise and appropriate the sum of \$2,190.00 for the purchase of a radar speed detector model: KR-108.P (radar unit \$1,595.00, dual antenna unit, \$595.00) with dual antenna from Kustom Electronics Inc. This request is contingent upon one-half of the sum being reimbursed to the Town from the State. Jacqueline Sweet seconded. Chief Jacobs said it would be very hard to enforce Articles 21 and 22 without this equipment. Motion adopted by voice vote.

ARTICLE 24: Jean Johnson moved that the Town authorize the Board of Selectmen to apply for, receive and expend Federal and State Grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private source to

be used for purposes for which the Town may legally appropriate money. Charles Johnson seconded. Motion adopted by unanimous voice vote.

ARTICLE 25: Donald Post moved that the Town authorize the Selectmen to convey property acquired by the Town by Tax Collector's Deed, by public auction, or by advertised sealed bid, or in such other manner as justice may require. Robert Herron seconded. Motion adopted by unanimous voice vote.

ARTICLE 26: Robert Herron moved that the Town approve the following prices for lots and perpetual care at the Pine Grove Cemetery:

Single lot:	one grave site (to be sold only in specifically designated areas).	Lot: \$50 Perpetual Care:\$100 Total : \$150
Half lot:	four graves	Lot: \$100 Perpetual Care:\$200 Total : \$300
Whole lot:	eight graves	Lot: \$150 Perpetual Care:\$350 Total : \$500

Donald Post seconded. There are still plenty of single lots available. Motion was adopted by unanimous voice vote.

ARTICLE 27: Robert Herron moved to adjourn. Charles Johnson seconded. Moderator Robert Johnson commends those who took the time to come to this second meeting today. He had earlier made a statement of appreciation to the Trustees of Coe-Brown Northwood Academy for making this facility available to the Town to hold the town meetings in. We are especially grateful to the custodians for their extra work. Meeting adjourned at 11:00 A.M.

Respectfully submitted,

Arlene W. Johnson
Northwood Town Clerk

SPECIAL TOWN WARRANT
STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Northwood in the County of Rockingham in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Northwood Town Hall in Northwood on the second day of December next at one of the clock in the afternoon to act upon the following subject:

To see if the Town will vote to rescind the establishment of the Northwood Police Commission as provided in Article 105C:7 and 39:3 of the New Hampshire Statutes Annotated. (By Petition)

Given under our hands and seal this 6th day of November in the year of our Lord nineteen hundred and eighty-nine.

Robert E. Young	Northwood

A True Copy of Warrant: Attest

Robert E. Bailey	Selectmen
True W. Chesley	of
Robert E. Young	Northwood

SPECIAL TOWN MEETING

December 2, 1989

Moderator Robert A. Johnson called the meeting to order at 1:10 P.M. He read the warrant as printed and attested. The Moderator reminded the group that we would conduct this meeting in an orderly fashion without personalities being discussed. Establishing a commission required a referendum ballot vote, so there is some question as to whether the rescinding of a commission should be done the same way. The law is open to a difference of interpretation. He cited RSA 105:C7 and RSA 39:3.

John Lane moved that without prejudice, we dispense with taking any action on this article and instruct the Selectmen to insert an article in the annual warrant to make it a referendum ballot vote at the March 13, 1990 Town Meeting. Ronald St. Cyr seconded the motion. The amendment passed by a show of hands Yes - 128; No - 28.

Philip Simonian remarked that this method did not provide for any discussion of the issues. So John Lane suggested that the Selectmen schedule a hearing before the Town Meeting, giving at least fourteen (14) days notice of such hearing and at a place large enough to accommodate the voters for the purpose of discussing the issues.

Moderator Robert Johnson gave his personal assurance that the Selectmen would hold such a hearing.

Fire Chief William Calef announced that in no way could he allow the meeting to continue today in such small quarters with so many in attendance. James Boyd moved to adjourn the meeting. Jean Lane seconded. The ayes prevailed and the meeting adjourned at 1:35 P.M.

Respectfully submitted,

Arlene W. Johnson
Northwood Town Clerk

It should be noted that before the meeting was called to order, the Fire Chief spoke to the Moderator stating that he would not allow the meeting to be held because of overcrowding in the building. The Moderator asked him to allow him to at least call the meeting to order before he took any action.

THE STATE OF NEW HAMPSHIRE

ROCKINGHAM COUNTY

SUPERIOR COURT

DONALD E. POST

V.

TOWN OF NORTHWOOD, et al.

ORDER

After hearing, based on the Petition of Donald E. Post, and his representations and those of counsel for the Town of Northwood, the Court rules as follows: The action of the moderator in proposing and entertaining a motion to change the warrant for the special town meeting of December 2, 1989 as warned by the selectmen, from one for an open town meeting at that time to one for a vote by official ballot at the next annual town meeting, is illegal and is without force and effect.

The Court orders that the special town meeting of December 2, 1989 is to be reconvened as warned by the selectmen for January 6, 1990 at Coe-Brown Academy at 2:00 P.M., where all interested townspeople may be accommodated. The same voter checklist as corrected up to December 2, 1989 shall be used for the January 6, 1990 meeting. The moderator is to conduct this special town meeting as an open town meeting except where a secret ballot, as provided for in RSA 40:40-a, is requested. Petitioner Donald E. Post's request for award of attorney's fees is denied, but he is awarded half his costs, filing fees and sheriff's service fees from the Town of Northwood.

So ordered.

Dated: December 22, 1989

Vincent P. Dunn
Presiding Justice

SPECIAL TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Northwood in the County of Rockingham in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Coe-Brown Academy in Northwood on the sixth day of January next at two of the clock in the afternoon to reconvene the meeting of December 2, 1989 which had been adjourned.

To see if the Town will vote to rescind the establishment of the Northwood Police Commission as provided in Article 105-C:7 and 39:3 of the New Hampshire Statutes Annotated. (By Petition)

Given under our hands and seal this 18th day of December in the year of our Lord nineteen hundred and eighty-nine.

Robert E. Young	Northwood

A true copy of Warrant: Attest

Robert E. Bailey	Selectmen
True W. Chesley	of
Robert E. Young	Northwood

SPECIAL TOWN MEETING

January 6, 1990

Moderator Robert A. Johnson called the special meeting to order at 2:03 P.M. at Coe-Brown Northwood Academy. He first read some announcements from the P.T.A. concerning the sale of subs as a money making project on Super Bowl Sunday. The next Conservation series lecture will be on January 17th with the subject matter being The Geology of Northwood, and then a note from the Supervisors reminded everyone that only those voters who were on the December 2, 1989 checklist would be eligible to vote today.

The Moderator read the warrant to reconvene the meeting of December 2, 1989 which had been adjourned. He also read two letters from the town attorney, Mark Gearreald, to the Board of Selectmen. The Court order, regarding the petition of Donald Post to make the December 2, 1989 meeting illegal, was read and it ordered the December 2nd meeting to be reconvened for January 6, 1990 at Coe-Brown Northwood Academy at 2:00 P.M. where all interested townspeople may be accomodated. Mr. Post's request for attorney's fees is denied but he is awarded half his costs, filing fees, and sheriff's service fees from the Town of Northwood, so ordered by Vincent Dunn, Presiding Justice.

Another communication received from Attorney Gearreald indicated the time for voting and stated that he disagreed with our Moderator believing that personalities could and should be discussed, but not beyond the border of being slanderous.

The Moderator asked Mr. Chesley to read a December 29th letter from Mr. Gearreald to the Board concerning budgetary matters for the Police Commission. They are not allowed to raise and appropriate funds, but are treated like the Planning Board and other commissions.

Donald Post then moved to rescind the establishment of our Police Commission as provided in Statutes 105C:7 and 39:3. Fred Jacobs seconded. Mr. Post stated that his reason for this is that at first, he was in favor of the Commission, but believes it did more harm than good. He feels that they made rules that were not in their jurisdiction in running the Police Department. Mr. Post feels that with our present Police Chief, we have had no lawsuits, so the Chief must be doing something right. He now requests a Yes and No ballot on this motion.

Moderator Johnson asks for a personal privilege to address the meeting after the vote has been taken. Mr. Robi-chaud speaks as a taxpayer in favor of keeping the Commission,

feeling that if we remove them our taxes will increase. Joseph Kramas, a former Police Commissioner, now resigned, spoke in favor of removing the Commission. He felt that they were too critical of the Police Chief and felt that we do not need a three man Commission to oversee a three man Police Department. Mary Faiella says she knows no one on either the Commission or the Police Department so is not concerned over the issue of personalities, but if the original purpose of creating a Police Commission was to prevent some problems, perhaps we should not think of doing away with the Commission but maybe we need to replace the Commissioners; just as if we were unhappy with our Chief, we would not do away with the office but with the man.

Chief Jacobs spoke in his own defense saying that we've not had a single lawsuit since he took office and that he's not asking for any legal fees in his budget this year. He wonders why the Commission needs any. He says he has had nothing but troubles in trying to work with the Police Commission. Fred Williams spoke in defense of the character of Chief Jacobs, citing his work with youth. Fire Chief Calef originally supported the Commission, but says the Commission hasn't turned out to do the kind of job intended. Andreas Turner spoke about the amount of training our police need today in our court duties. Then Warren E. Bryant, Jr., a Police Commissioner spoke in defense of the Police Commission. He feels that if the Commission is eliminated, it will lead to the elimination of other boards where people volunteer for the Town. He pleads to keep the Commission, but vote out the commissioners if unhappy with them. He stated that their legal counsel present today is being paid for privately.

Moderator Johnson then swore in J. Perry Richardson as Deputy Moderator to conduct the balloting on this motion. As Budget Chairman, Robert Madison reminded the Town that it is the Budget Committee which will determine the Police Budget, not the Commission or the Chief.

A yes and no ballot was taken with the results: 236 votes cast No - 122; Yes - 114 so the motion to rescind the Commission was defeated.

Deputy Moderator Richardson then returned the gavel to Moderator Robert Johnson who had asked to address the meeting about the issue of his handling of the December 2nd, 1989 meeting. He spoke of his long record of service to the Town which he had enjoyed but he felt the need to explain his actions. Letters from the Court and from the Town attorney implied that he had infringed upon the authority of the Selectmen and the Superior Court. He felt that was an absurd charge. He offers no apologies for the way he tried to conduct that meeting and would rest his case with the people, letting them be the judge of when to get rid of the Moderator. There was a large response

of applause from the audience with many rising to their feet.
The meeting adjourned at approximately 4:40 P.M.

Respectfully submitted,

Arlene W. Johnson
Northwood Town Clerk

THE STATE OF NEW HAMPSHIRE

The Polls Will be open from 10:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Northwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Northwood on Tuesday, the 13th day of March, next, at ten of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. Do you favor adoption of the town manager plan as provided in chapter 37 of the Revised Statutes Annotated? If passed to be instituted by August 31, 1990. (By petition)

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and ninety.

TOWN WARRANT

State of New Hampshire

To the Inhabitants of the Town of Northwood in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Coe-Brown Northwood Academy in said Northwood on the 17th day of March next at nine of the clock in the forenoon to act upon the following subjects:

1. To see if the Town will vote to dissolve the Capital Reserve Fund established at a previous Town Meeting for Reassessment. The said assessment having been completed eliminates the need for this fund. The balance in this fund would be used to reduce taxes. (By Petition) (Majority vote required)

2. To see if the Town will vote to adopt a Conflict of Interest Ordinance as set forth in the Petition contained in the Petition section of the 1989 Town Report. (By Petition) (Majority vote)

3. To see whether the Town will vote to deposit 10% (ten per cent) of the revenues collected pursuant to RSA 79-a (the land use change tax) in the Conservation Fund with RSA 36-A:5 III as authorized by RSA 79-A:25 II. (By petition) (Majority vote)

4. To see if the Town will vote to require that the Selectmen, before disposing of real property, the title of which has been acquired by Tax Collector's deed, first consult with the Conservation Commission, said Commission to recommend whether or not the retention of such real property would be in the best interest of the Town as provided in RSA 80:42-a, subject to final ratification of the next annual or special town meeting. (By petition) (Majority vote)

5. To see if the Town will vote to authorize the Northwood Conservation Commission to retain any unexpended portion of its 1989 appropriation (\$493.86), said funds to be placed in the Northwood Conservation Fund in accordance with RSA 36:A-5 or take any other action relative thereto. (By petition) (Majority vote)

6. To see if the Town will vote to install a dry hydrant on the Winding Hill Road at the end of the Giolito driveway and to raise and appropriate the sum of \$695.00 for this purpose. (By petition) (Not Recommended by the Budget Committee)

7. To see if the Town will vote to rescind the establishment of the Northwood Police Commission as provided in RSA 105c:7 and 39:3. (By petition) (Majority vote)

8. To see if the Town will authorize the Board of Selectmen to establish or amend fees, as provided in RSA 41:9-a. Such a vote shall continue in effect until rescinded. (Majority vote)

9. Shall we adopt the provisions of RSA 72.28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50. (Ballot vote required)

10. Shall we adopt the provisions of RSA 72.35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700. (Ballot vote required)

11. Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows:

for a person 65 years of age up to 75 years	\$35,000.
for a person 75 years of age up to 80 years	50,000.
for a person 80 years of age or over	65,000.

To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets of not over \$30,000. excluding the value of the person's residence. (Ballot vote required)

12. Shall we adopt the provisions of RSA 31:95-c to restrict revenues from ambulance billings to expenditures for the purpose of ambulance replacement? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Ambulance Replacement Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Ballot vote required)

13. Shall we adopt the provisions of RSA 31:95-c to restrict revenues from Lagoon fees to expenditures for the purpose of maintaining the sewage lagoons? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Lagoon Fee Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Ballot vote required)

14. To see if the Town will vote to establish, as a permanent Town Committee, the present appointed Northwood Recycling Committee. (Majority vote)

15. Shall we adopt the provisions of RSA 31:95-c to restrict revenues from recycling to expenditures for the purpose of recycling? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the Recycling Fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue. (Ballot vote required)

16. To see if the Town will vote to remove the designation of Selectmen as agents an the Fire Truck Capital Reserve Fund. (Majority vote required)

17. To see if the Town will vote to remove the designation of Selectmen as agents on the Town Hall Expansion Capital Reserve Fund. (Majority vote required)

18. To see if the Town will vote to raise and appropriate the sum of \$10,825. to be added to the Ambulance Capital Reserve Fund previously established, and to authorize the use/transfer of the December 31, 1989 fund balance for this purpose.

19. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Highway Safety Capital Reserve Fund previously established.

20. To see if the Town will vote to raise and appropriate the sum of \$10,000 to be added to the Town Hall Expansion Capital Reserve Fund previously established. (Not Recommended by the Budget Committee)

21. To see if the Town will vote to raise and appropriate the sum of \$3,000 to be added to the Highway Equipment Capital Reserve Fund previously established. (Not recommended by the Budget Committee)

22. To see if the Town will vote to raise and appropriate the sum of \$44,438. for the purchase of a new ambulance chassis; to remove the sum of \$40,689. from the Ambulance Capital Reserve Fund, and to raise and appropriate from taxes the sum of \$3,749. for this purpose. (Majority vote)

23. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Fire Truck Capital Reserve Fund previously established.

24. To see if the Town will vote to raise and appropriate the sum of \$16,000 for the purchase of a new police cruiser, and to remove the sum of \$16,600 from the Highway Safety Capital Reserve Fund for that purpose.

25. To see if the Town will vote to raise and appropriate the sum of \$27,000 for the purchase of a used bucket/loader/backhoe to be used at the disposal area, for summer maintenance and winter maintenance. (Not recommended by the Budget Committee)

26. To see if the Town will vote to raise and appropriate the sum of \$3,280. for the purchase of a new sander for use with the Town truck.

27. To see if the Town will vote to raise and appropriate the sum of \$5,025 to purchase computer equipment, typewriter and office chairs.

28. To see if the Town will vote to raise and appropriate the sum of \$8,535. for three copy machines: \$5,235. to replace the 5 year old machine in the Selectmen's office, \$1,150. to purchase a machine for the Police Department, and \$1,150. to purchase a machine for the Fire, Rescue and Emergency Management departments. 1/2 the cost of the third machine to be reimbursed through Emergency Management funds.

29. To see if the Town will vote to raise and appropriate the sum of \$4,200 to be used to purchase computer equipment for the Police Department.

30. To see if the Town will vote to raise and appropriate the sum of \$7,600. to purchase a defibrillator and provide the necessary associated training for the Rescue Squad.

31. To see if the Town will vote to raise and appropriate the sum of \$16,350. to correct the erosion of Gulf Road at the head of Pleasant Lake, and to make associated improvements to Gulf Road in the same location.

32. To see if the Town will vote to raise and appropriate the sum of \$8,500 for the purchase of fire alarm systems for the Chesley Library, Bryant Library, Narrows Fire Station and Community Hall, and to instruct the Board of Selectmen to solicit bids for same.

33. To see if the Town will vote to establish a committee of representatives from all Town Committees and Boards, Town Officials and Staff, to work together on plans for the future expansion of the Town Hall, and to raise and appropriate the sum of \$5,000 to be used for the preparation of plans. (Money not recommended by the Budget Committee)

34. To see if the Town will vote to raise and appropriate the sum of \$ 1,195,197 for general town operations as follows:

Town Officers' Salaries	44,462
Town Officers' Expenses	102,598
Election & Registration	3,745
Cemeteries	1,150
General Government Buildings	34,075
Reappraisal of Property	10,000
Planning Board & Board of Adjustment	14,980
Legal Expenses	22,500
Strafford Regional Planning Commission	2,033
Police Department	146,652
Fire Department	106,202
Emergency Management	2,750
Building Inspection	21,953
Police Commission	1,900
Summer Maintenance - Highways	53,501
Winter Maintenance - Highways	88,600
New Construction - Highways	47,375

35. To see if the Town will vote to lease to Philip G. Simonian, Jr., doing business as Ridge Motors, for a period of ten years, a portion of the Annie Giles Lot, located on Route 4 Northwood Center, which portion contains 7405 square feet, 500 feet of which is paved and 6905 feet is in natural grassland, as shown on the plan of the land by David Sidmore, Surveyor, and to establish the terms of the lease.

36. To see if the Town will vote to accept as a Class 5 highway that section of the Bennett Road, now a Class 6 highway, running from the intersection of Ridge Road to the Northerly intersection of Gaviat Road. This section of the Bennett Road having a right-of-way of 50 feet with a hot top surface of 22 feet and being 555 feet in length.

37. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

38. To see if the Town will vote to authorize the Board of Selectmen to apply for, receive and expend Federal and State Grants which may become available during the course of the year, in accordance with RSA 31:95-b and also to accept and expend money from any other governmental unit or private sources to be used for purposes for which the Town may legally appropriate money.

39. To see if the Town will vote to authorize the Selectmen to convey property acquired by the Town by Tax Collector's deed by public auction, or by advertised sealed bid, or in such other manner as determined by the Selectmen as justice may require.

40. To see if the town will vote to approve the cost of perpetual care for all grave sites in all cemeteries in Northwood at \$50.00 per grave site.

41. To see if the Town will vote to transfer by warranty deed for the sum of \$100.00, a tract of land in Nottingham, 100' x 100' x 100' to Kenneth and Donna M. Cooper, as joint

tenants. This lot was originally deeded by John Cooper in early 1900's to the Town of Northwood for a gravel pit. Said tract of land located on the Easterly side of a private road running from the Cooper Hill Road by the outlet of North River Lake to Route 202. Said tract being completely surrounded by other land of said Kenneth and Donna M. Cooper.

42. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 20th day of February, in the year of our Lord nineteen hundred and ninety.

Robert E. Bailey	Selectmen
True W. Chesley	of
Robert E. Young	Northwood

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL PRESENTATION

To the Members of the Board of Selectmen
Town of Northwood
Northwood, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Northwood and the combining and individual fund financial statements of the Town as of and for the year ended December 31, 1989, as listed in the table of contents. These financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Asset Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Northwood at December 31, 1989, and the results of its operations and the changes in financial position of its nonexpendable trust funds for the year then ended, in conformity with generally accepted accounting principles. Also, in our opinion, the combining and individual fund financial statements referred to above present fairly, in all material respects, the financial position of each of the individual funds of the Town at December 31, 1989, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles.

January 22, 1990

January 22, 1990

To the Members of the Board of Selectmen
Town of Northwood
Northwood, New Hampshire

Dear Members of the Board:

We have audited the financial statements of the Town of Northwood for the year ended December 31, 1989 and have issued our report thereon dated January 22, 1990. In connection with our audit, we reviewed and tested the Town's systems of internal accounting control and operating procedures to the extent we considered necessary to evaluate the systems as required by generally accepted auditing standards. The purpose of our review of these systems was not to express an opinion on internal accounting control, and it would not necessarily disclose all weaknesses in the system.

In the following paragraphs, we present our comments and recommendations for improving specific aspects of the Town's systems and procedures. We also refer you to the Appendix to this letter which explains the purpose of our review, its limitations, and the professional standards involved.

TAX COLLECTOR'S RECORDS

We expended a considerable amount of time in reconciling the Tax Collector's tax warrants as of December 31, 1989. Our findings are as follows:

- A. Receipts were not balanced periodically with the Town's accounting records.
- B. Tax Collector's annual report to the State of New Hampshire (Summary of Warrants) was not balanced at year end.
- C. Abatements and supplemental warrants were posted without proper written authorization from the Board of Selectmen.
- D. Unredeemed levies of 1984, 1985 and 1986 have not been deeded to the Town in accordance with the State Revised Statutes Annotated.
- E. A 1988 uncollected property tax was not included in the tax lien procedure for 1989, as required by law.
- F. The cash book contained many errors in posting.

We have reviewed all of the above findings with the Tax Collector and have made specific recommendations in each case. The need for additional hours for the Deputy Tax Collector, a complete understanding of the computer software capabilities, and monthly communication with the Town's bookkeeper, would alleviate most of the deficiencies mentioned above.

GENERAL FIXED ASSET ACCOUNTING

As is the practice with many New Hampshire municipalities, the Town has not maintained a record of its fixed assets. Under the present system, all fixed asset acquisitions of the General Fund are listed as expenditures. This is an accepted practice under fund accounting. However, these fixed assets should be accounted for in a separate self-balancing group of accounts (the General Fixed Asset Group of Accounts).

The establishment of fixed asset records will not only enable the Town to prepare financial statements in accordance with generally accepted accounting principles, but will also aid management in the control of these assets and will be an invaluable tool in long-range planning of fixed asset acquisition and disposition. In addition, records will be readily available to substantiate expenditures for fixed assets funded by Federal or State grants. As part of the Town's long-term policies, we recommend that officials consider fixed asset records as soon as is practicable.

In closing, we would like to express our appreciation to those persons whose cooperation and assistance during the course of our audit have helped us to achieve efficiencies in completing our audit.

After you have reviewed our report, we would be pleased to meet with you to discuss any questions that you might have.

Very truly yours,

(Paul J. Mercier, Jr. CPA)

PLODZIK & SANDERSON
Professional Association

APPENDIX

PURPOSE AND LIMITATIONS OF REVIEW

The purpose of our study and evaluation was to determine the nature, timing and extent of the auditing procedures necessary for expressing an opinion on the Town's financial statements. Our study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control taken as a whole.

The management of the Town is responsible for establishing and maintaining a system of internal accounting control. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures. The objectives of a system are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles.

Because of inherent limitations in any system of internal accounting control, errors or irregularities may nevertheless occur and not be detected. Also projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the degree of compliance with the procedures may deteriorate.

Our study and evaluation made for the limited purpose described in the first paragraph would not necessarily disclose all material weaknesses in the system. Accordingly, we do not express an opinion on the system of internal accounting control of the Town taken as a whole. However, our study and evaluation disclosed conditions that we believe result in more than a relatively low risk that errors or irregularities in amounts that would be material in relation to the financial statements of the Town may occur and not be detected within a timely period.

These conditions are described in the preceding report and were considered in determining the nature, timing and extent of the audit tests to be applied in our audit of the 1989 financial statements. This report does not affect our report on these financial statements dated January 22, 1990.

The preceding report is intended solely for the use of management and should not be used for any other purpose. This restriction is not intended to limit distribution of this report, which, upon acceptance by the Members of the Board, is a matter of public record.

NOTES TO THE FINANCIAL STATEMENTS

December 31, 1989

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Town of Northwood have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to the governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The more significant of the government's accounting policies are described below.

A. Governmental Reporting Entity

For financial reporting purposes, in conformity with the National Council on Governmental Accounting Statement Number 3, "Defining the Governmental Reporting Entity," the Town of Northwood includes all funds, accounting groups, agencies, boards, commissions and authorities that are controlled by or dependent on the Town's executive or legislative branches. Control by or dependence on the Town is determined on the basis of budget adoption, taxing authority, outstanding debt secured by revenues or general obligations of the Town, obligation of the Town to finance any deficits that may occur, or receipt of significant subsidies from the Town.

B. Fund Accounting

The accounts of the Town are organized on the basis of funds or account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped by type in the financial statements. The following fund types and account groups are used by the Town:

GOVERNMENTAL FUNDS

General Fund - The General Fund is the general operating fund of the Town. All general tax revenues and other receipts that are not allocated by law or contractual agreement to another fund are accounted for in this fund. From the fund are paid the general operating expenditures, the fixed charges, and the capital improvement costs that are not paid through other funds.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) requiring

separate accounting because of legal or regulatory provisions or administrative action. Included in this fund type are the Conservation Commission, Special Trust Income, and Drug Enforcement Program Funds.

FIDUCIARY FUNDS

Trust and Agency Funds - Trust and Agency Funds are used to account for the assets held in trust or as an agent for others by the Town. The Nonexpendable and Expendable Trust Funds (which include Capital Reserve Funds) and Water Precinct Community Development Block Grant Funds are shown in this fund type.

ACCOUNT GROUPS (FIXED ASSETS AND LONG-TERM LIABILITIES)

All governmental funds are accounted for on a spending or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of available spendable resources during a period.

General fixed assets have been acquired for general governmental purposes and have been recorded as expenditures in the fund making the expenditure. These expenditures are required to be capitalized at historical cost in a General Fixed Asset Group of Accounts for accountability purposes. In accordance with the practices followed by most other municipal entities in the State, the Town does not maintain a record of its general fixed assets and, accordingly, a statement of general fixed assets, required by generally accepted accounting principles, is not included in this financial report.

Long-term liabilities expected to be financed from governmental funds are accounted for in the General Long-term Debt Account Group. This account group is not a fund. It is concerned only with the measurement of financial position and not results of operations. Since they do not affect net current assets, such long-term liabilities are not recognized as governmental fund type liabilities. They are instead reported as liabilities in the General Long-term Debt Account Group.

C. Basis of Accounting

The accounts of the General, Special Revenue, Expendable Trust, and Agency Funds are maintained and reported on the modified accrual basis of accounting. Under the modified accrual basis of accounting, sources of financial resources and assets are recognized when measurable and available to finance operations during the year. Uses of financial resources and liabilities

are recognized when obligations are incurred from receipt of goods and services, when assessments are made by the State or, in the case of judgments and claims against the Town, when there is a probability that such judgments and claims will result in liabilities, the amounts of which can be reasonably estimated.

Exceptions to this general rule include: 1) accumulated unpaid vacation and sick pay, and 2) principal and interest on general long-term debt which is recognized when due. All Nonexpendable Trust Funds are accounted for using the accrual basis of accounting.

D. Budgetary Accounting

General governmental revenues and expenditures accounted for in budgetary funds are controlled by a formal integrated budgetary accounting system in accordance with various legal requirements which govern the Town's operations. State Statutes require balanced budgets but provide for the use of beginning general fund unreserved fund balance to achieve that end. In 1989, the beginning fund balance was applied as follows:

Unreserved Fund Balance	
Used To Reduce Tax Rate	\$181,402
Beginning Fund Balance -	
Reserves For Encumbrances	<u>104,738</u>
Total Use of Beginning Fund Balance	<u><u>\$286,140</u></u>

Overdraft of Appropriations and Application of Municipal Budget Law (RSA 32:10-a)

As noted in Exhibit A-2, page 18, there was a net overdraft of budgetary appropriations of \$21,464. This includes an unexpended balance of \$1,481, in the "overlay" appropriation, which is not voted by Town Meeting, but rather established by the State when setting the annual tax rate, and is excluded in determining the amount of over or under expenditure. Therefore, taking this into consideration, the total budgetary overexpenditure of appropriations amounts to \$22,945.

In accordance with the provisions of the Municipal Budget Law, the Selectmen have petitioned the Town Budget Committee and Commissioner of Revenue Administration in a letter dated January 30, 1990, to overspend the 1989 budget, primarily because of the overexpenditure in the line items of welfare and debt service.

E. Fund Balance

The portion of fund balance which has been legally segregated for a specific future use, or which indicates that that portion is not appropriable for expenditures, is shown as reserved.

Reserved for Encumbrances

Encumbrance accounting, under which purchase orders, contracts, and continuing appropriations (certain projects and specific items not fully expended at year end) are recognized, is employed in the governmental funds. Encumbrances are not the equivalent of expenditures and are therefore reported as part of the fund balance at December 31, and are carried forward to supplement appropriations of the subsequent year.

The General Fund reserve for encumbrances at December 31, 1989 is detailed in Exhibit A-2 and totals \$5,142.

Other Reserves

Other reserves used by the Town include Reserve for Special Purposes (which includes Capital Reserve Fund balances) and Reserve for Endowments.

F. Cash and Investments

At year end, the carrying amount of the Town's deposits is \$693,847 and the bank balance is \$956,618. Of the bank balance, \$396,496 was covered by Federal depositary insurance and \$560,122 was uninsured.

State Statutes authorize the Town to invest excess funds in the custody of the Treasurer in obligations of the United States Government, in savings bank deposits of banks incorporated under the laws of the State of New Hampshire, in certificates of deposit of banks incorporated under the laws of the State of New Hampshire, or in national banks located within this State or the State of Massachusetts. These financial statements report investments in certificates of deposit and savings bank deposits under the caption Cash and Equivalents.

The Town is further authorized to invest Trust Funds in obligations of political subdivisions and stocks and bonds, as they are legal for investment by New Hampshire savings banks. Capital Reserve Funds must be kept separate and not intermingled with Trust Funds. Capital Reserve Funds may be invested only in savings bank deposits of New Hampshire banks, or in United States or State of New Hampshire bonds or notes.

G. Accumulated Unpaid Vacation and Sick Pay

Accumulated unpaid vacation and sick pay is not accrued in the governmental funds using the modified accrual basis of accounting. Permanent full-time employees receive ten (10) days of sick leave per year, part-time employees receive five (5) days, with a maximum accumulation of thirty (30) days. Vacation is granted in varying amounts based on length of service. Vacation pay accumulation does not exceed a normal year's allowance. Estimated value of sick leave is \$4,607.

H. Taxes Collected For Others

The property taxes collected by the Town include taxes levied for the Northwood School District, Rockingham County and Northwood Ridge Water Precinct, which are remitted to these governmental units as required by law. The ultimate responsibility for the collection of taxes rests with the Town.

I. Property Taxes

The National Council on Governmental Accounting, Interpretation 3 referring to property tax revenue recognition, requires disclosure if property taxes receivable, which are to be collected beyond a period of 60 days subsequent to year's end, are recognized on the balance sheet and not reserved. In accordance with the practice followed by other municipal entities in the State of New Hampshire, the Town of Northwood annually recognizes, without reserve, all taxes receivable at the end of the fiscal year. The Town believes that the application of NCGA Interpretation 3, which would result in a decrease in the undesignated General Fund unreserved fund balance, would give a misleading impression on the Town's ability to meet its current and future obligations. This practice is consistent with the previous year.

The property tax year is from April 1 to March 31 and all property taxes are assessed on the inventory taken in April of that year.

A partial payment of the taxes assessed on April 1 is computed by multiplying the prior year's assessed valuation by one half of the previous year's tax rate, and is due on July 1.

A payment, of the remainder of the taxes assessed on April 1 less the payment due on July 1, is payable on December 1.

Interest of 12% is charged on property taxes unpaid after thirty days from the billing date.

Annually, the Town establishes and raises through taxation an amount for abatements and refunds of property and resident taxes, known as overlay. All abatements and refunds are charged to this account. The amount raised in 1989 was \$39,659 and expenditures amounted to \$38,178.

As prescribed by law, the tax collector places a lien on properties for all uncollected property taxes in the following year after taxes are due. The lien on these properties has priority over other liens and accrues interest at 18% per annum.

If property is not redeemed within the two-year redemption period, the property is tax-deeded to the Town.

J. Interfund Transactions

During the course of normal operations, the Town has numerous

transactions between funds, including expenditures and transfers of resources to provide services and fund capital outlay. The accompanying governmental and fiduciary fund financial statements reflect such transactions as transfers.

K. Interfund Receivables and Payable Balances

Individual fund interfund receivables and payable balances at December 31, 1989 are as follows:

<u>Fund</u>	<u>Interfund Receivables</u>	<u>Interfund Payables</u>
General Fund	\$	\$3,557
Special Revenue Fund	<u>3,557</u>	<u> </u>
<u>Totals</u>	<u>\$3,557</u>	<u>\$3,557</u>

L. Total Columns (Memorandum Only) on Combined Statements

Total columns on the combined statements are captioned "Memorandum Only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in financial position in conformity with generally accepted accounting principles. Neither is such data comparable to a consolidation. Interfund eliminations have not been made in the aggregation of this data.

M. Comparative Data

Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the government's financial position and operations. However, comparative data have not been presented in all statements because their inclusion would make certain statements unduly complex and difficult to understand.

NOTE 2 - LONG-TERM DEBT

Compensated Absences

The Town has recognized \$4,607 as an accrued liability for compensated absences which is reflected in the General Long-term Debt Account Group.

NOTE 3 - DEFINED BENEFIT PENSION PLAN

Most Town of Northwood full-time employees participate in the New Hampshire Retirement System, a multiple-employer public employee retirement system. The payroll for employees covered by the system for the year ended December 31, 1989 was \$118,224; the Town's total payroll was \$331.749.

All Town full-time employees are eligible to participate in the

system. Employees who retire before age 65 are entitled to a retirement benefit equal to 1/60 of the employee's average final compensation multiplied by years of service. After attainment of age 65, the payment by the retirement system is reduced to 1/66 of the average final compensation. The system also provides death and disability benefits which are established by State Statute.

Covered employees other than police and fire personnel are required by State Statute to contribute 5.0% of their salary to the plan; police and firemen contribute 9.3%. The Town is required by the same statute to contribute a percentage of the employee's salary, based on an actuarial valuation of the entire State plan performed June 30, 1985. These contributions represented 5.53% for police, 9.29% for firemen and 2.67% for all other employees through June 30, 1989. From July 1, 1989, the Town's contribution rates were 6.23% for police, 8.13% for firemen and 2.48% for all other employees. The contribution requirements for the year ended December 31, 1989 were \$18,891, which consisted of \$8,232 from the Town and \$10,659 from employees.

The "pension benefit obligation" is a standardized disclosure measure of the present value of pension benefits, adjusted for the effects of projected salary increases and step-rate benefits, estimated to be payable in the future as a result of employee service to date. The measure, which is the actuarial present value of credited projected benefits, is intended to help users assess the system's funding status on a going-concern basis, assess progress made in accumulating sufficient assets to pay benefits when due, and make comparisons among retirement systems and employers. The State retirement system does not make separate measurements of assets and pension benefit obligations for individual employers. According to plan administrators, the pension benefit obligation at June 30, 1987 for the system as a whole, determined through an actuarial valuation performed as of that date, was \$633,344,000. The system's net assets available for benefits on June 30, 1987 (valued at market) were estimated at \$792,615,988, leaving no unfunded pension benefit obligation. The percentage that the Town of Northwood has in relation to the entire plan cannot be determined.

The town also participated in the ICMA pension plan and contributed \$2,572 for its covered employees in 1989.

NOTE 4 - TRUST FUNDS

The principal amount of all Nonexpendable Trust Funds is restricted either by law or by terms of individual bequests, in that only income earned may be expended. The Town's Nonexpendable and Expendable Trust Funds at December 31, 1989 are detailed as follows:

<u>Purpose</u>	<u>Nonexpendable</u>	
	<u>Principal</u>	<u>Income</u>
Cemetery	\$140,351	\$67,967
Library	27,281	9,453
Miscellaneous	<u>16,987</u>	<u>6,318</u>
<u>Total Nonexpendable</u>	<u>\$184,619</u>	<u>\$83,738</u>

	<u>Expendable</u>
<u>Capital Reserve Funds</u>	
Ambulance	\$ 30,093
Highway Equipment	12,418
Highway Safety Equipment	12,313
Reappraisal of Property	9,172
Fire Truck	10,687
Town Hall	10,687
<u>Other Town Trusts</u>	
Library	<u>3,634</u>
<u>Total Expendable</u>	<u>89,004</u>
<u>Total All Trust Funds</u>	<u><u>\$ 357,361</u></u>

NOTE 5 - LITIGATION

There are various claims and suits pending against the Town which arise in the normal course of the Town's activities. In the opinion of counsel, the ultimate disposition of these various claims and suits will not have a material effect on the financial position of the Town.

SELECTMEN'S REPORT TO THE TOWN

The year 1989 has truly been a very busy one for those in the Town Hall. The crew from the Department of Revenue Administration's Appraisal Division arrived with the new year, and began working diligently in order to attempt to meet the August 1st deadline.

Our Office Staff worked along with the appraisers and although everyone attempted to meet the deadline, the burden of work was too great. The new deadline was set for October 1st, and the work was actually completed two weeks before the new deadline.

Once the appraisers finished their work, the Selectmen and Office Staff took over and early in November, the tax rate was set. Everyone is now aware of the result of the setting of the rate. Several people were effected; some elderly, some with young families; some who had just purchased new homes. Basically the number of inquiries at the hearing was not out of the ordinary, with 285 persons attending and 440 records needing review.

The work associated with the reassessment will continue into 1990 as the hearings were not held until January 9 and 10, 1990.

It is expected that the first tax bill for the year 1990 will be in the mail on time, with taxes due by July 1st.

The year 1989 also brought a new member to the Board of Selectmen. Mr. Robert E. Young was sworn in and began his official duties immediately. Tuesday morning meetings were changed to Monday evenings for two reasons; Mr. Young's full-time employment prevented him from meeting during the day, and the evening meeting would allow the public to attend. Unless there is a subject that is controversial in nature, the meetings have been attended by very few members of the public. Those who have attended have been reporters, employees, board chairmen. We welcome any citizen who wishes to attend to learn how Town affairs are handled.

As reported last year, the naming of all town roads has been done, and the Selectmen will be accepting the names shortly.

The numbering of all houses is another project in itself. Many hours are needed to accomplish this work under the guidelines set forth by the Postal Department. We would welcome assistance in this area, and if there was enough interest, we would be willing to do this work on a neighborhood project basis. Without support from you, this project will be placed on hold until a later date.

The subject of purchasing name signs for all the roads has received approval of the fire, rescue and police depart-

ments. Not enough time was available this year to establish the number of signs needed, or the cost. It is hoped that money can be placed in the 1991 budget for the purchase of road name signs.

The speed signs have been purchased. Because of weather and the Village of Northwood Ridge Water District project, it seemed feasible to hold off on this project until Spring. The Selectmen have adopted speed limits for all town roads. The speeds become effective January 1, 1990 and a listing of all roads and speeds is included in this publication.

Selectman Young has brought a group of citizens together who have a great interest in recycling. With the approval of the Board of Selectmen, this group has been given appointments until March 31, 1990. An article will be placed in the 1990 warrant requesting that the Recycling Committee be established as a permanent committee of the Town.

At this time, voluntary separation of aluminum cans has resulted in great success for the Boy Scout Troop #312. The Committee, headed by William Lounsbury, anticipates the separation of newspaper and other paper in the near future, and they are enthusiastic about the future of recycling in Northwood.

Because Selectmen Young and Bailey were not available on a regular basis during the day, Selectman Chesley and Administrative Assistant Marion Knox became the day to day sources of information and assistance during the daytime hours. This has added to their already high work load. Adjustments in duties are being considered for the year 1990 in order to give Mrs. Knox more time to assist in the handling of the more complex matters of the town office. Some of Mrs. Knox's duties, such as minutes of Selectmen's meetings, will be transferred to the Office Staff.

At this time the Northwood Elementary School has sufficient room, accomplished with the new addition. However, both the Town Hall and the Libraries are in need of more space. Money is being placed in the 1990 budget for the Town Hall Expansion Capital Reserve Fund, and also for the establishing of a committee to work on a Town Hall addition, with plans to be presented at the 1991 Town Meeting.

The Library Trustees are requesting money to finish off the basement of the Chesley Memorial Library and make that area the children's room, in memory of Teddy Grano. Some concern is expressed about the dampness of the area, and whether the expense should be allowed. We must look towards expansion of both facilities in the near future. The Library Trustees

report indicates a great increase in circulation, and a well-equipped resource facility is very important to the community.

Conducting business in the Town Hall, with all departments housed within, becomes quite difficult at times. Some employees require more space than is available and also more privacy than can be found under the present arrangement. Boards, such as the Conservation Commission, require access to the RSAs and maps. It is important that we provide an area as a resource center, that will be available to all committees at all times. Under the present setup this is not possible.

Negotiations with the Boy Scouts (Greater Lowell Council) on the swapping of land for the Gulf Road extension are at a standstill at this time. A vote of the Town required a conservation easement on the land the Town proposed to deed to the Boy Scouts. The land the Boy Scouts would deed to the Town would not have such an easement. The Boy Scouts would not agree to receive land with an easement when they were willing to transfer land without an easement. This matter has placed this project on hold for the present time. It is hoped that another route can be found so Gulf Road can be extended to meet Winding Hill Road sometime in the future.

Erosion of Gulf Road along Pleasant Lake, caused by high water, frost and ice, has resulted in the Town applying to the N.H. Wetlands Board for permission to shore up the roadway along the lake. This project has the support of the Conservation Commission and the Highway Advisory Committee. Money has been placed in the 1990 budget for this project, and the decision from the Wetlands Board is expected by Town Meeting.

The Planning Board has worked diligently this year to get the zoning and ordinance package ready for Town Meeting. However, it was realized by the Board that this would not be possible because of the change in staff at Strafford Regional Planning Commission, and also within the Planning Board. They have opted to present their package at a Special Town Meeting, to be held sometime early in the Spring. We realize that some citizens feel this should only be presented at a regular Town Meeting. We hope everyone will recognize that circumstances within both Strafford Regional and the Planning Board have not made this possible. We respect the dedication of the Planning Board members in their efforts to produce this important document for the Town, and we respectfully express our gratitude to this volunteer board for their devotion to this enormous task. We ask that the citizens of Northwood attend the public hearings planned for the zoning package, and that they vote intelligently at the forthcoming special town meeting.

This upcoming election day, it will be your choice to elect your town officials for the next three years. The terms of Tax Collector, Town Clerk and Treasurer are open for

a three year term, as is the position of a Selectman. We regret that Mr. Bailey has declined to run for a 5th term of office. His involvement in Town affairs, as Selectman among others, has made him a valuable member of our community. He has given us 12 years of service as a Selectman, beginning his first term in March of 1973. We have valued his expertise in construction, and his fairness in making judgments. We will miss his participation on our Board, but wish him well as he prepares to relax a bit more.

We express the thanks of our Board and Office Staff for the years Bob has been part of our business lives.

We look forward to the year 1990 with enthusiasm and with some apprehension. We wonder how the problems of our Nation will effect us. In 1989 we found problems with welfare and non-payment of taxes, which appear to relate to state and national concern. We are hopeful that 1990 will prove to bring prosperity to all along with good health and happiness.

REPORT OF THE CEMETERY TRUSTEES

The Northwood Cemetery Trustees are pleased to be able to report a far better year than the one we experienced in 1988.

Vandalism, seemingly an ongoing problem, was far less costly this year than last. Suffering the most damage in 1989 was the East Northwood Cemetery where numerous stones were toppled on several different occasions.

We urge all citizens of Northwood to join us in a two part attempt to have a vandalism free year in 1990. First, make it your job to help "keep an eye" on our cemeteries. Visit the one in your neighborhood to become acquainted. Increased activity of the right kind will discourage activity of the wrong kind. Second, help us spread the word that cemeteries, like all public places, should be treated with respect and that the costs of vandalism are shared by all.

The public cemeteries were once again well cared for by Sherman Elliott and crew and by his father, Larry Elliott. Sherman continues his work on a book about Northwood cemeteries. His records are excellent. Copies of his notebooks are kept at the Town Hall and are there for the use of the public.

Once again, and at the urging of the Trustees of Trust Funds, we ask you to consider adding to your cemetery trust, if the original amount was small. Only through continued growth of the prinicpal can the trusts keep pace with rising cemetery care cost.

We do appreciate your interest.

Respectfully submitted,

Joann Bailey, Chairman
Thelma Eatough
Samuel Johnson, Jr.

NORTHWOOD CONSERVATION COMMISSION

The Northwood Conservation Commission was established by the State of New Hampshire and the Town of Northwood to protect the natural resources of the Town, to promote awareness of conservation practices and policies, and to protect the water resources of the town.

The Commission serves as an advisory committee to the Northwood Board of Selectmen who appoint Conservation Committee members. Any resident with an interest in conservation and natural resources and who would like to become a member of the Commission or be involved in any of its projects, is encouraged to contact the Board of Selectmen or the Conservation Commission at the Northwood Town Hall.

The Conservation Commission meets at 7:00 P.M. on the first Tuesday of the month. Meetings are held at the Northwood Town Hall. The public is always welcomed.

The year of 1989 saw a continuation of the basic mission of the Commission. It included work on a number of on-going projects and it also included work on a number of new activities. Highlighted activities of the year include:

1. NORTHWOOD TOWN FOREST - The Northwood Town Forest was established through actions taken at the 1989 Town Meeting. Four properties previously owned by the Town (the School Lot, the Parsonage Lot, the Giles Pasture Lot and the Deslaurier Lot) were designated as town forests. Upon the establishment of the forests, the Commission sought the advice of the Rockingham Cooperative Extension Service. Based on that advice, the Commission and Town contracted with noted consulting forester, Charles Moreno to prepare a forest management plan for the properties. The Commission, acting on behalf of the Town, applied for and will receive a federal Soil Conservation Service grant that will pay for approximately half of the cost of developing the management plan.
2. THE NATURAL HISTORY LECTURE SERIES - The lecture series has become a very popular event. The monthly program presenters were selected from a variety of experts in conservation and natural resources and they have included several Northwood residents. Topics have included the wild turkey, bats and wildlife photography. Future topics will include black bears, owls and the Northwood Town Forest. The Lecture Series is presented at the Town Hall on the third Wednesday of the month.

3. THE NATURE TRAIL - A nature trail was established near the Northwood Elementary School. The project entailed clearing the trail, building steps and constructing bridges over wet areas. The trail has provided elementary and junior high classes with a living science classroom. The trail has already led to a number of student projects and research papers.
4. SADDLEBACK MOUNTAIN DAY - There were several Commission activities on Saddleback Mountain. The spring Mountain Day climb was attended by more than forty hikers with three generations of some families making the climb. From the scenic vista on the side of the mountain, hikers could see Mt. Monadnock, Mt. Chocorua and Mt. Washington and they also had a clear view of the entire Northwood area. A second Mountain Day was held during the hawk migration season. Dozens of hawks were spotted by those who made the climb.
5. DREDGE AND FILL SUB-COMMITTEE - Northwood's continued growth and development led the Commission to establish a sub-committee to evaluate the many wetlands actions applications made for projects in the town.

Any property owner planning a project that involves filling, dredging or building in a lake, pond, swamp, or other wetland must file an application with the N.H. Wetlands Board. The Northwood Conservation Commission reviews all local applications on behalf of the Town and makes recommendations to the State. The Commission reviews projects during an on-site visitation and/or during its regular monthly meeting.

The decision to grant a State Dredge and Fill Permit is made by the State Wetlands Board based upon reports made by its own staff members and by the local conservation commission.

The Northwood Conservation Commission is sorry to announce that the 1989 project year closed with Charles Frary announcing that he would not accept another term of membership on the Commission. While a member of the Conservation Commission for most of the past two decades, "Charlie" has been one of Northwood's leaders in working to protect our Town's natural resources. He has served the Commission in many capacities, including serving several years as the Commission's Chairman and he has always served as the Commission's primary map maker.

As Charlie leaves the Commission, and he and his wife, Helen, follow other avenues in their life, we would like to take this opportunity to express the Commission's and the Town's thanks to Charlie and to wish he and Helen the best of luck in all their future plans.

NORTHWOOD FIRE DEPARTMENT

Annual Report 1989

Last year was the busiest year ever for the Northwood Fire Department. Calls were up 15% for a total of 407 for the year ending December 31, 1989. Our fire department is one of the busiest Volunteer Fire Departments in New England. The Northwood Fire Department was included in the annual survey of the country's busiest Volunteer Fire Departments by the fire service publication "Firehouse Magazine". Northwood's large seasonal population and Route 4 are the primary reasons for the large increase in calls over the last ten years.

Every effort is being made to extend the life of our equipment to help hold costs down and keep tax increases low. In 1989, we replaced the 1000 gallon water tank on Engine 2 with a new plastic one thus extending its life for 5 years. During 1990, we will be doing rust and body work on Engine 3 which will allow us to continue using it for many more years. The cost of this project is \$11,000 which may seem like a lot of money to spend on repairs, but compared to \$150,000 for a new truck, the cost is minimal.

Our Fire Prevention Programs have been a tremendous success in the schools and in the community. Fire Prevention Week saw poster contests and assemblies at the Elementary School with more children than ever participating.

In keeping with our goal to make Northwood a safer place to live and visit, we are continuing in our efforts to promote our Fire Safety Program. We encourage businesses to make safety improvements and are stepping up the push to bring apartments and rental units into line with the state's Smoke Detector Laws.

As always, the Fire Department as well as the Rescue Squad could use some new volunteers. Please remember that our paid firefighters only cover 40 hours per week, the other 124 hours are covered by your friends and neighbors. If you are sixteen years of age or older, man or woman, please feel free to join us. No experience is necessary and training and equipment are provided. We promise you good feelings about serving your community and the chance to make new friends at the same time.

A warm and special thank you goes to the families of those who volunteer their time and efforts to bring the best of fire protection and medical service to their community. To the many people we help and meet while doing our job, your kind words and support are greatly appreciated.

I hope that everyone will please take the time now to test your smoke detectors and replace the batteries, especially if

you don't remember when you last changed them. If you don't have a smoke detector, give your family a loving gift and get one. Even the best Fire Department cannot save you or your family if you don't wake up.

Have a fire safe 1990.

EMERGENCY MANAGEMENT

After a year and a half as Director of Emergency Management, I feel more comfortable with our program.

Fred and I have made two required annual updates to our Emergency Operations Plan. During June, we conducted a local level drill, testing our preparedness for handling a Technological Hazard. The State Training Officer, Ken Jolli-more, observed our drill, and gave Northwood praise for working together and for having a workable Operations Plan.

We took part in a National Level Drill for National Defense, during September. We are becoming even more proficient with our Emergency Operations Plan, and received a congratulatory letter from George L. Iverson, Director of the State Office of Emergency Management.

We are planning a local level drill during March to test our preparedness for Natural Disasters.

Respectfully submitted,

Harry E. Ring, Director
George F. Jacobs, Asst. Director

REPORT OF THE NORTHWOOD POLICE DEPARTMENT

During the 1989 calendar year, your Police Department has responded to over 1710 calls, with 944 of those calls reportable (15% of the calls received do not need a written report on completion).

Below is a breakdown, by month, of the number of reports written by your department officers.

July	83	11	17
August	93	8	42
September	72	9	27
October	74	12	10
November	78	14	22
December	68	10	11

In the calendar year, there were 127 motor vehicle accidents, reportable to the State.

There were 944 written reports made by the Department on separate incidents; besides these 944 written reports were normal field contacts made by the officers, (i.e., vacation house checks, field interviews, motorist assists, etc.)

There were a total of 286 citations issued, not including verbal/written warnings, parking tickets, or defective equipment orders.

I would caution all while driving, to continue a constant vigilance, as by Automatic Traffic Recorder Reports, calendar year 1988 (Department of Transportation), there were 2,759,049 vehicles travelling Route 4, which was a 8.8% increase over the 1987 calendar year (count of 2,528,838).

This 8.8% increase is also reflected on all of the roadways in town, and once the total of traffic on Route 4 is compiled for 1989, I am expecting a reflection of at least the same amount of increase in traffic.

I would like to thank all of the community for their support in the past year, and hope that you will continue to view the Police Department as your department, where you are welcome at any time.

Respectfully submitted,

George F. Jacobs, Chief

NORTHWOOD RESCUE SQUAD

This has been a busy year for the Northwood Rescue Squad. It was also the first full year of the two full-time Firefighter/EMTs, Michael Hoisington and Kevin Madison. They have provided the Town with vital protection between the hours of 7:00 A.M. and 5:00 P.M. weekdays.

During 1989 we rendered emergency medical care to 170 patients. In terms of severity of the need for medical assistance, 5 patients were in extremely critical condition, 59 patients in critical condition, and 89 were in need of medical attention, that was not life-threatening. The remaining 17 patients were treated for minor conditions. Patients of motor vehicle accidents have increased 21% over last year.

The patients were transported to the following area hospitals: Concord Hospital (98), Wentworth-Douglas in Dover (19), Frisbee in Rochester (11), Portsmouth Hospital (2), Pease Air Base Hospital in Newington (1), and Exeter Hospital (2 by private service).

Unfortunately, 5 residents suffered cardiac arrest in 1989, and none were successfully resuscitated. Successful resuscitation of a cardiac arrest patient is most closely tied to C.P.R. being started immediately and the availability of defibrillation of the heart. At this time, the Northwood Rescue Squad is asking you to support the purchase of a "Life-Pak 5 Automatic Defibrillator" at Town Meeting on March 17th. This is a vital piece of equipment needed to assist in saving cardiac arrest patients in the field. This unit will cost \$7,100.00, and \$500.00 to train and certify 10 EMTs in its use, for a total of \$7,600.00.

The other article that we seek your support on at Town Meeting will be the re-chassisng of our current ambulance. This is the year that this chassis was scheduled to be replaced. The new chassis will be a Ford E-350 with a 7.1 liter diesel engine, and our current patient compartment will be remounted on the new chassis as originally planned.

The rechassis price is \$46,938.00 less a \$2,500.00 trade-in on the old gasoline chassis for a total of \$44,438.00. We currently have approximately \$40,689.00 in a Capital Reserve Fund for ambulance replacement, leaving \$3,749.00 to be raised by taxes. Also included in this figure is a loaner ambulance to enable us to stay in service during the time (approximately 3 months) that our ambulance is being renovated.

The Northwood Rescue Squad is seeking new members both experienced and those who desire to learn a new and vital skill. Our monthly Business Meetings are held on the 2nd

Thursday of each month at the Ridge Fire Station at 7:00 P.M.
Please come and join us, or call 942-5498 for further details.

Again, thank you for your continued support over the
past 16+ years. Please support our warrant articles for
the Life-Pak 5 Defribillator and the ambulance rechassis so
that we may better serve you in the future.

REPORT OF THE NORTHWOOD ROAD AGENT

All scheduled work was accomplished on roads with the exception of surfacing for Kelsey Mill Road. Improvements were in excess of what was anticipated. There were large portions of ledge that had to be removed and blasted to complete improvements. The work and materials needed, such as, widening the road across the brook, culvert extension, installation of guard rail post and rail expended available funds, so surfacing will have to be rescheduled for a future date.

With the existing funds available, some of the necessary road advisory signs were purchased along with posts. The balance of the signs and posts will be purchased this year with the installation being accomplished over the next year.

Six year highway maintenance schedule:

Gerald A. LaFreniere
Road Agent

ROAD SIGNS

The majority of road signs were purchased in 1989. Because of a change in the State Law, effective January 1, 1990, it will be permissible for the Town to post their roads at 25 MPH. Many of the originally suggested 30 MPH signs have been changed to 25 MPH.

At the time we placed our initial order, the N.H. Department of Transportation would not supply us with signs under 30 MPH. This caused a delay in getting many of the signs in time to have them installed before winter set in.

According to the State Law, the Road Agent is responsible for the correct placement and upkeep of all legally installed signs. For this reason, it will take extra time to install the signs to make sure the laws and rules are followed correctly. With the coming of Spring, this project will be started and hopefully, all the signs will be installed in 1990.

The following posted speed limit list has been approved and recorded with the Town Clerk, effective January 1, 1990:

<u>Road Name</u>	<u>Condition</u>	<u>Speed Limit</u>	<u>#Signs</u>
Allen Farm Rd.	Paved, new	25	2
Bennett Brdige Rd.	Paved, narrow	20	2
Bigelow Rd.	Paved	20	2
Blake's Hill Rd.	Paved, curved	25	5
Bow Lake Rd.	Paved, graded	25	5
Bow St. (Lower)	Paved, narrow	20	2
Bow St. (Upper)	Paved	25	2
Bryant Rd.	Dirt, narrow	20*	2
Canterbury Rd. (Pig St.)	Dirt, narrow spots	20*	2
Canterbury Rd.			
Deerfield Rd. (Lower)	Paved	25	3
Deerfield Rd. (Upper)	Paved from Mt. Rd. to Payants	25	2
Deerfield Rd. (Upper)	Dirt, narrow Rte. 43 to Laberge	20*	2
Deerfield Rd. (Upper)	Dirt, from Rte. 4 to DeMeritt	20*	2
Denmark Drive	Paved (dead end)	25	2
Green Lane	Paved	20	2
Green St.	Paved	25	2
Gulf Rd.	Paved, narrow spots	25	4
Harmony Rd.	Dirt, narrow	20*	2
Harmony Rd.	Paved	25	4

<u>Road Name</u>	<u>Condition</u>	<u>Speed Limit</u>	<u>#Signs</u>
Harvey Lake Rd.	Paved	25	2
High St.	Paved	25	2
Jeffrey Drive	Paved,narrow	20	2
Jenness Pond Rd.	Paved	25	4
Kelsey Mill Rd.	Dirt	20*	3
Lucas Pond Rd.	Paved	25	4
Mountain Rd.	Paved,grades, steep spots	25	4
Oakwood Drive	Paved(dead end)	25	2
Old Barnstead Rd.	Dirt	20*	2
Old Pittsfield Rd.	Paved	25	2
Old Turnpike Rd.	Dirt,narrow spots	20*	3
Priest Rd.	Paved,narrow,grade dead end	20	2
Range Rd.	Dirt,rough	20*	2
Ridge Rd.	Paved	25	4
Sherburne Hill Rd.	Paved,curves	25	4
Tasker Hill Rd.	Paved,narrow	20	2
Temperance Hill Drive	Paved,grade	20	2
West St.	Dirt,narrow	20*	2
Winding Hill Rd. (Class 5)	Dirt,narrow,rough (to Arter)	20*	2

*The N.H.D.O.T. advises that it is almost a waste of time to post dirt roads.

As the dirt roads and narrow roads are improved with paving and widening, the speed limits will be upgraded.

NORTHWOOD BOARD OF LIBRARY TRUSTEES

1989 was a banner year for Northwood Libraries as we were able to realize the completion of many long time goals.

Chesley Library's third year woodwork renovation was finished and the interior is now returned to its original beauty.

Bryant Library's outside trim was painted and new storm sash installed on the basement windows.

An IBM Computer was purchased for Chesley with monies acquired by Trustees independently of town funds. Now patrons may have access to libraries throughout the state system.

Our video programs have been very popular and we recently received additional programs through a grant from the Mac Arthur Foundation. The new ones are concerned with health, environmental concerns, peace and international cooperation, community development and creative individual achievements.

We gratefully acknowledge the receipt of a \$1,000 bequest from the late Theodora "Teddy" Grano, a long time friend and patron of our libraries.

On the advice of the Selectmen, we leased a small section of land bordering the cemetery to the Telephone Company for a sub-station.

We have inaugurated the number system for the check out of books. Around 700 cards have been issued to date.

Circulation for the year approximates 9,000 --- an increase of over 4,000 in the past three years.

The pre-school weekly reading session continues to flourish. The "Teddy Bear" Program held in the summer was very well attended.

Special programs sponsored by the library include:

The Caravan Wagon from the U.N.H. Theatre Department (children)

The Loons of New Hampshire by Jeannette Ritzetharer (adults)

Steve Thomas, the Magician (children)

A Nature Program by Margary Milne, renowned local author (adults)

Summer Reading Contest for older children---20 completed the requirements and received MacDonald certificates.

With the aid of the Selectmen a Trustee's Trust Fund was established with the remaining funds from the telephone book sales, the Grano bequest and the Telephone Company money. This money does not go back to the General Fund but may be used for

library purposes by the Library Trustees.

We have made an initial study of costs and practicability of turning our huge Chesley basement area into a children's room and reading room. This would temporarily ease the space problem. The Trustees could partially finance it with accrued interest on the Chesley Trust Fund and the Trustee's Trust Fund. At the same time, we would meet the fire code requirements.

We wish to thank the Coe-Brown Vocational Department under the competent direction of Dana Haley for building two bookcases to our specifications.

Also, many thanks to the Friends for volunteer work, special programs, serving refreshments at library functions and manning the used book sales table at the Lion's Fair.

Regretfully, we were forced to cancel regular hours at Bryant Library due to such poor attendance. We tried different days and hours, but still no patrons visited. Some of our historical and geneological material is being stored there and will be available to the public on request.

Many people admit they have never visited our libraries. Please, do and see what a wealth of material is contained in these beautiful little buildings.

Respectfully submitted,

Nathalie Wall, Chairman
Kate LeBlanc, Secretary
Elizabeth Stimmell, Member

REPORT OF THE NORTHWOOD PLANNING BOARD

Work has been very steady on the preparation of a new Zoning Ordinance for the Town of Northwood. We can finally see the beginning of the end and hope to present it to the voters in the Spring. It has been a very lengthy process, but everyone feels it to be very thorough and beneficial for our Town. We hope everyone will take the time and effort to look over the proposal when it is complete.

The Site Plan Reviews and Subdivision activity has been basically pretty quiet during 1989. The trend of in-home businesses kept the Board at its busiest, with a total of 14 proposals approved. Minor subdivisions (2-3 lots) approved totalled 6, as well as approval of 2 lot line adjustments/consolidations.

The Planning Board consisted of several new members this year, as well as a new Chairman (who resigned in December due to relocation). We are always on the lookout for bright, responsible and interested people to join us, and hope the year 1990 produces some new faces. Anyone interested can call our secretary at the Town Hall for information regarding our activities and schedules.

Respectfully submitted,

Susan M. Guptill, Chairman (resigned)

REPORT OF THE CODE ENFORCEMENT OFFICER - 1989

The year 1989 was much quieter growth-wise for the Town than previous years. Work with the Planning Board on a new zoning ordinance continued through the year, with an expected completion date in the Spring.

The following represents the actual number of building permits issued:

23	Single Family Residences
2	Modular Homes
1	Double Wide Mobile
10	Mobile Homes
15	Home Garages
15	Porches
20	Sheds
27	Decks
29	Remodels
18	Additions
8	Farm Buildings
11	Commercial Permits
7	Signs
1	Cross
1	Shuffle Board
1	Inground Pool
1	Fence
1	Screen House
<u>1</u>	Void
192	TOTAL

Respectfully submitted,

P. Donald Arsenault
Code Enforcement Officer

REPORT OF BOARD OF ADJUSTMENT

During 1989, the Board of Adjustment held fifteen (15) public hearings to consider twenty-three (23) applications for variance. Of this total number, thirteen (13) were granted, six (6) were denied and four (4) were postponed.

With respect to denials, the Board of Adjustment acted upon two Motions for Rehearing. In one instance, the Board voted to grant a Rehearing and after hearing additional evidence, upheld their original decision of denial. The second Motion for Rehearing was not granted as the applicant did not present new information pertinent to the case.

The Board of Adjustment meets monthly by agenda only. New members will be appointed in March. Should you be interested in serving on this Board, please contact myself or the Selectmen.

Respectfully submitted,

Bruce Farr, Chairman

RECREATION COMMISSION REPORT

The Recreation Commission for the Town of Northwood offered the following programs during the past year:

In May and June, we hired personnel for the beaches and the summer program. The four beaches that are staffed during the summer are Northwood Beach, Lucas Pond, Mary Waldron, and Bennett Bridge. The Woodman Park area, located on Lucas Pond, is available for picnicking and swimming. There is also fishing at this state stocked trout pond.

The four week summer program enrolled over 80 children, broken into three groups according to age. They spent approximately an hour in each of the three areas, arts and crafts, nature, and physical education. Many area residents offered their time and expertise to assist in this program.

Karate lessons were also sponsored by the Recreation Commission for three age groups from 5 to adult, as well as dance lessons and a mothers/toddlers group. The Community Center is available for community activities and special events.

Last fall, we initiated a soccer program in which 84 children, in age from 6 to 12, registered to learn the basic skills of the sport. This will be a continuing program and created much interest.

The Annual Christmas Party for the children was held at Lake Shore Farm with Santa, clowns, refreshments, and arts and crafts.

The popular Winter Volleyball Program is again available for adults on Tuesday evenings from 7 to 9 P.M. at the Elementary School Gym. This is conducted on a "walk-in" basis. Next spring, the outdoor volleyball court will be finished and available for adults and groups.

This winter season, we are sponsoring several special events featuring professional artists at the Elementary School Gym for adults and children.

The Recreation Commission is, as always, very eager to hear from you all with respect to any new programs or ideas in order to serve you better. In closing, we wish to thank the many volunteers who are so necessary to our success, and who give so much of their time and money.

Respectfully submitted,
Richard Clark, Chairman
Richard Olney, Secretary
Mari Arsenault
Jane Martin
John Rule

REPORT OF
LAMPREY HEALTH CARE

1989

Lamprey Health Care is requesting that the Town of Northwood raise and appropriate the sum of \$2,300.00 from the 1990 general town revenue in continuation of its support for the services provided by the Health Center. Northwood residents are served by both the Medical Program and the Senior Citizen Transportation Program.

The Medical Program operated by Lamprey Health Care consists of seven Physicians (five Family Physicians, an Obstetrician/Gynecologist, and a Pediatrician), a certified Physician's Assistant, two Nurse Practitioners and a support staff of Office Nurses. A Nutritionist, a Mental Health Counselor and Community Health Workers round out the medical team. In-office care is provided at centers located in Newmarket and Raymond, and hospital care is provided at the Exeter Hospital. Primary care is provided to all members of the families we serve, from prenatal and pediatric to adult and geriatric medicine.

Lamprey Health Care provides a preventive health program including health education, screenings for diabetes, glaucoma, cancer and hypertension, as well as nutritional counseling and prenatal classes for pregnant women. Free flu clinics are provided in the service area.

Northwood residents continue to receive their medical care from Lamprey Health Care, and it is estimated that by the end of 1989, Northwood residents will have made over 441 office visits.

A free flu clinic was conducted in October for people at high risk for the serious flu viruses prevalent in our area.

Lamprey Health Care provides prenatal care to young women from Northwood who would not be able to get good care elsewhere because they were uninsured or unable to pay for it. Our prenatal program has served your community and has allowed those young women to give their babies a healthy start through good health care, nutritional counseling and education programs.

The Senior Citizen Transportation Program continues to be heavily utilized by Northwood residents. The goal of this program is to help the elderly and handicapped individuals of our service area remain independent, self-sufficient and in their homes by providing them with a means to get to needed services. In 1989, over 2,249 rides will be provided to residents of your community.

The buses from this program go directly to the homes of the riders and take them to needed services, such as medical appointments, food shopping, pharmacy and occasional recreational trips. Special appointments which do not fit into the existing schedule are arranged through our Transportation Coordinator and local volunteers.

Lamprey Health Care operates buses which are equipped with hydraulic lifts to accommodate individuals confined to wheelchairs

Lamprey Health Care also operates the Rockingham County Info-Center which provides referrals to individuals looking for social service assistance or requiring other information. A toll-free number which makes this service available to all residents is answered by an Information and Referral Specialist who has complete files on all services available to Rockingham County residents.

The costs of operating these programs has increased, while federal dollars to support them has not. This has increased the reliance of all non-profit organizations on local revenues. While we realize this stresses the town budgets, it remains necessary for us to request your support to keep our programs in operation. Funds appropriated from your community are combined with funds from 27 other towns to provide local match. This is a critical component to each program's success.

We appreciate the continued support of the Town of Northwood and will be happy to provide any additional information which you may need. Either Priscilla Shaw or myself will be available should you have any questions.

Thank you for your consideration.

Respectfully submitted,

Ann H. Peters
Executive Director

REPORT OF THE LAMPREY REGIONAL SOLID WASTE COOPERATIVE

The Directors of the Lamprey Regional Solid Waste Cooperative are pleased to continue to report that the incinerator/energy recovery plant located on the campus of the University of New Hampshire is operating on a continuous twenty-four hour, seven days a week schedule.

The day-to-day operation is carried out under the supervision of the Cooperative's Administrator, under the general supervisory control of the three member Operations Committee from the Joint Board of Directors. The plant personnel, in addition to the Administrator, includes the plant superintendent, two mechanics, two truck drivers, two daily shifts of 12 hours each involving eight persons plus daily clean-up crew and the secretary. This organization operates the incinerator system, maintains records and coordinates with the University's heating plant staff to monitor the boiler and steam production elements of the plant. The Cooperative's organization also handles the collection of refuse from the transfer stations of four communities, and handles the ash removal and its transfer to the landfill.

The \$1.8 million Ash/Sludge landfill in Somersworth was completed during the summer and is now in full operation with one Landfill employee. This is a great step forward for the Cooperative, because we now have a permanent ash landfill.

In 1990, we have instructed the Administrator to investigate the feasibility of the Lamprey Regional Solid Waste Cooperative doing regional recycling. We again are trying to keep in the forefront of municipal waste to benefit the communities in the Cooperative and to be cost effective. If all goes according to plan, the Cooperative should be able to present to the Communities a regional recycling alternative in late 1990.

In January, we will be presenting our first newsletter to the communities in order to keep the communities better informed.

Respectuflly submitted,

Joseph B. Moriarty, Chairman

REPORT OF THE ROCKINGHAM COUNTY COMMUNITY ACTION PROGRAM, INC.

Rockingham County Community Action Program, Inc. (RCCAP) is a private, non-profit corporation, officially designated as the anti-poverty agency which serves the low-income population of Rockingham County. Our mission is to serve the multitude of needs of the county's low-income residents by assisting them in coping with the hardships of poverty, giving them the tools to lift themselves out of poverty and seeking to eradicate the root causes of poverty. RCCAP has been effectively serving these needs for more than twenty-four years.

The Greater Raymond Community Action Center is the outreach center serving residents of Northwood and 14 other communities, and as such acts as Northwood's central resource for information regarding all available human services. In addition, RCCAP offers service sites in 18 other Rockingham County communities for the application and provision of various Community Action services.

Of the major direct service programs offered by Community Action, the following were provided to eligible residents of Northwood from July 1, 1988 through June 30, 1989:

76 households received Fuel Assistance, a program which provides a financial grant of up to \$500.00 to assist with energy-related expenses.

14 homes were weatherized through the Weatherization Program, which provides high quality materials and trained labor to weatherize homes in order to reduce heating costs and conserve energy.

9 households received the Home Repair Program, which provides for the repair or replacement of furnaces and heating units and home repairs for low-income homeowners.

55 children were provided meals from private family day care homes which participate in the Rockingham Family Day Care Program.

3 child care referrals were arranged through the Child Care Resource and Referral Program, which compiles current data on all available child care options, provides child care referrals to employees of participating companies as well as to the general public, and expands the supply of quality day care by recruiting, training and assisting new day care providers.

38 women, infants and children received help through the WIC Program, which offers supplemental nutritious food and

nutrition counseling to pregnant women, nursing mothers and children up to the age of 5 who are nutritionally at risk.

1 elderly or handicapped individual received Lifeline, an emergency response system which provides immediate twenty-four hour access to community medical responders.

71 food packets were provided through the Surplus Food Program, which distributes USDA surplus food to eligible households through periodic mass distributions.

1 household comprised of a person or persons who was/were homeless or at risk of being homeless received a security deposit loan through the Security Deposit Loan Fund.

1 child was enrolled in Camp Sebago, a week-long overnight summer camp for low-income children between the ages of 7 and 8.

4 children/postpartum women received help through the Commodity Supplemental Foods Program, which provides commodity foods to eligible children up to age six and postpartum women until their infants reach one year of age.

In addiiton to these major programs, much of our staff time is devoted to working with people who come to use seeking help. During the past year, we logged 124 calls or visits from Northwood residents, many of which were crisis calls involving fuel or utility problems, the lack of food or clothing or general financial needs. By working closely together with local and state welfare administrators, fuel and utility companies, other human service agencies and interested clergy and civic groups, we are able to link those in need with the services available to them.

Since the services we offer greatly relieve the towns we serve from the full burden of providing for the needs of their low-income residents, we ask every community we serve to make a financial contribution to our agency based upon the level of service we have provided to its residents. The amount we request equals 4.5% of the total dollar value of services provided during the previous fiscal year, which means that we request \$4.50 for every \$100.00 we provide in direct services.

From July 1, 1988 through June 30, 1989, Community Action provided \$104,980 in services to Northwood residents. We are therefore requesting the town of Northwood to contribute 4.5% of this amount, or \$4,724.00. The town of Northwood has contributed to our agency for many years, and we extend our appreciation to you for your continued support.

Respectfully submitted,

Amy Mueller-Campbell, Director

RURAL DISTRICT HEALTH COUNCIL, INC.

ANNUAL REPORT - 1989

The Rural District Health Council, Inc. continues as a certified home health agency providing your town with skilled nursing, physical, occupational and speech therapies, medical social services, home health aides, homemakers and a comprehensive hospice program. We have a 24 hour answering service with a nurse available 24 hours a day, 7 days a week with home visits made as indicated. The staff has made to date, 7559 home visits with 1485 hours of homemaking within the Care of the Sick Program.

The Elderly Maintenance Health Program is funded in part by the Division of Elderly and Adult Services and the RDHC. There are 210 patients enrolled in the program which includes health counseling, blood pressure monitoring, diet teaching and blood testing for diabetes. 391 patients have been seen and 161 influenza shots given.

The Child Health Program is very active with 429 children enrolled from the ages 0-6 years. This includes physical examinations, immunizations, growth and development and counseling. There have been 781 children seen at clinics with 179 home visits made.

The Dental Program funded in part by the Bureau of Dental Health and the RDHC provided cleaning and flouride treatments to 193 children from ages 3-6 years.

Staffing still remains a problem with nurses being very difficult to hire - Home Health has become very hi-tech nursing in the field. It takes a special type of nurse to accomplish this. The present dedicated staff continues to provide excellent care to all patients in the nine towns.

A bequest to the Council may be made to further the general purpose of RDHC. In lieu of flowers, a memorial donation may be made in the memory of a loved one. The Board of Directors would like to thank the families of the following for naming memorial donations in their names.

F. Eldridge	D. Shea	N. Gordon	A. King
E. Whitehouse	L. Ham	E. Haycock	B. Card
M. Thompson	S. Harvey	L. Blair	G. Todd
P. Cameron	F. Booth	L. Belanger	Conrad
M. Bartlett	A. Russ	C. Stowell	

During the past year, the Council has made for your town: 430 skilled nursing visits, 61 therapy visits, 105 home health aide and 0 homemaker hours. There have been 16 child health home visits and 55 child health clinic visits.

Anyone interested in additional information or needing services may contact the Rural District Health Council office at 4 Winter Street, Farmington, New Hampshire 03835, or call 1-755-2202 between the hours of 8 A.M. and 4 P.M. Monday through Friday.

Respectfully submitted,

Ardala Houle, R.N.
Executive Director

PETITION

ORDINANCE OF THE TOWN OF NORTHWOOD, N. H.

CONFLICTS OF INTEREST DEFINED AND REGULATED

I. DECLARATION OF POLICY

Where government is based on the consent of the governed, every citizen is entitled to have complete confidence in the integrity of that government. Each local officer/employee of the Town, whether elected or appointed, including paid or unpaid members of various Town boards, commissions, committees or agencies (hereinafter referred to as "Town Officials"), must earn and honor that trust by his or her conduct in all official actions. It is the purpose of this ordinance to ensure fair consideration of any application or matter to be voted upon, and also to ensure the appearance of fair consideration so as to maintain public confidence in the integrity of Town government.

II. CATEGORIES FOR DISQUALIFICATION

A Town Official shall be disqualified to act on a matter before a Town board, commission, committee or agency (hereinafter called the "Town Board") because of a conflict of interest as follows:

- a. Financial Interest: When the Town Official has a direct personal financial interest in a matter before the Town Board. Such interest includes, but is not limited to, an ownership interest, a mortgage interest, a creditor or debtor interest or relationship.
- b. Related by Blood or Marriage: When the Town Official is directly related by blood or by marriage to the person requesting action, or opposing action on a matter before the Town Board. Directly related shall mean spouse, parent, child, brother, sister, uncle, aunt, niece, nephew, grandparent or grandchild.

- c. Employment Relationship: When the Town Official, or a member of the Town Official's family (family shall mean husband, wife or child) has an employment relationship with the person requesting action or opposing action on a matter before the Town Board.
- d. Abutter: When the Town Official is an abutter to the land which is the subject matter of action requested or to be taken by the Town Board.

One or more of the above grounds for disqualification may apply, for example, relationship by blood or marriage to an abutter.

III. DISCLOSURE

A Town Official shall be under a duty to disclose that a conflict of interest, as defined in Section II above, exists when a matter is before the Town Board of which the Town Official is a member or participant. Thereafter, the Town Official shall withdraw from the Town Board considering such matter, shall not sit with the remainder of the Town Board, shall not participate in any deliberation sessions on such matter and shall not vote on such matter. The Town Official may remain in the room where the Town Board is meeting, and may participate in the discussion but only as a member of the general public.

IV. CHALLENGE PROCEDURE

- a. Any person may inquire into the possible conflict of interest of any Town Official on any matter requiring official action, stating the grounds for the inquiry.
- b. Such challenged Town Official shall be obligated to inform the person if any conflict of interest exists.
- c. If the person making the inquiry is not satisfied with the challenged Town Official's response, he may require the presiding officer of the Town Board (in the case of a town employee, "Town Board" shall mean the appointing board) to call for a vote as to whether or not the challenged Town Official shall be disqualified to take the official action. A majority of the remaining Town Board members, including alternates, shall determine whether or not the challenged Town Official may be allowed to take the official action.

V. APPEAL PROCEEDINGS

Appeals under this ordinance shall be governed by RSA 31:39

VI. ORDINANCE PROVIDED TO TOWN OFFICIAL

Upon taking his position, the Town Official, as defined above shall be furnished by the Town Clerk with a copy of this Ordinance. Each such person shall sign a written acknowledgment that he has been provided with such a copy. The acknowledgement shall be filed by the Town Clerk with the Town Official's appointment papers.

VII. EFFECTIVE DATE

This ordinance shall be effective as of the date of adoption by the Northwood Town Meeting. Notwithstanding the foregoing, this ordinance shall exempt affected Town Officials who are in office or employed by the Town at the time this ordinance is adopted for a period of ninety (90) days.

PETITION

We, the undersigned, being legal voters in the Town of Northwood, do hereby petition the Board of Selectmen of said Northwood to place the following article in the warrant for the 1990 annual meeting.

"To see whether the Town will vote to deposit 10% (ten percent) of the revenues collected pursuant to RSA 79-A (the land use change tax) in the Conservation Fund with RSA 36 - A:5 III as authorized by RSA 79 - A:25 II."

PETITION

We, the undersigned, being legal voters in the Town of Northwood, do hereby petition the Board of Selectmen of said Northwood to place the following article in the warrant for the 1990 annual meeting:

"To see if the Town will vote to require that the Selectmen, before disposing of real property, the title to which has been acquired by tax collector's deed, first consult with the Conservation Commission. Said Commission to recommend whether or not the retention of such real property would be in the best interests of the Town as provided in RSA 80:42-a, subject to final ratification of the next annual or special town meeting."

RSAs AND ORDINANCES PERTAINING TO
ARTICLES THAT APPEAR IN THIS WARRANT

RSA 31:95-C SPECIAL REVENUE FUNDS

Towns may, pursuant to RSA 31:95-d, vote to restrict revenue from a specific source to expenditures for specific purposes. Such revenues and expenditures shall be accounted for in a special revenue fund separate from the general fund. Any surplus in such fund shall not be deemed part of the general fund accumulated surplus nor shall any surplus be expended for any purpose or transferred to any appropriation until such time as the legislative body shall have voted to appropriate a specific amount from said fund for a specific purpose related to the purpose or source of the revenue. This section shall not be construed to prohibit the establishment of capital reserve funds pursuant to RSA 35:1 or town created trust funds pursuant to RSA 31:19-a. The provision of this section shall be limited to those town activities funded primarily through user fees including, but not limited to, municipal airports and solid waste facilities.

RSA 31:95-d PROCEDURE FOR ADOPTION

- I. Any town may adopt the provisions of RSA 31:95-c to restrict revenues from a specific source to expenditures for specific purposes in the following manner:
- (a) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. The question shall not be placed on the official ballot.
 - (b) The selectmen shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.
 - (c) The wording of the question shall be: "Shall we adopt the provisions of RSA 31:95-c to restrict revenues from (here insert source) to expenditures for the purpose of (here insert purpose)? Such revenues and expenditures shall be accounted for in a special revenue fund to be known as the (_____) fund, separate from the general fund. Any surplus in said fund shall not be deemed part of the general fund accumulated surplus and shall be expended only after a vote by the legislative body to appropriate a specific amount from said fund for a specific purpose related to the purpose of the fund or source of the revenue."
- II. If a majority of those voting on the question vote "Yes", RSA 31:95-c shall apply within the town on a date set by the selectmen.
- III. If the question is not approved, the question may later be voted upon according to the provisions of RSA 31:95-d, I.

IV. (a) Any town which has adopted RSA 31:95-c may consider rescinding its action in the manner described in RSA 31:95-d, I(a) and (b). The wording of the question shall be the same as set out in RSA 31:95-d, I(c), except the word (adopt) shall be changed to "rescind".

(b) If a majority of those voting on the question vote "Yes", RSA 31:95-c shall not apply within the town.

RSA 36-A:5 APPROPRIATIONS AUTHORIZED

- I. A town or city, having established a conservation commission as authorized by RSA 36-A:2, may appropriate money as deemed necessary for the purpose of this chapter. The whole or any part of money so appropriated in any year and any gifts of money received pursuant to RSA 37-A:4 may be placed in a conservation fund and allowed to accumulate from year to year. Money may be expended from said fund by the conservation commission for the purpose of this chapter without further approval of the Town meeting.
- II. The town treasurer, pursuant to RSA 41:39, shall have custody of all moneys in the conservation fund and shall pay out the same only upon order of the conservation commission. The disbursement of conservation funds shall be authorized by a majority of the conservation commission. Prior to the use of such funds for the purchase of any interest in real property, the conservation commission shall hold a public hearing with notice in accordance with RSA 675:7.
- III. In the municipality that has adopted the provisions of RSA 79-A:25, II, the specified percentage of the revenue received pursuant to RSA 79-A shall be placed in the conservation fund.

RSA 72:28 VETERANS' EXEMPTION

- I. The following persons shall qualify for the veterans' exemption:
 - (a) Every resident of this state who served not less than 90 days in the armed forces of the United States in any qualifying war or armed conflict listed in this section and was honorably discharged; or the spouse or surviving spouse of such resident;
 - (b) Every resident of this state who was terminated from the armed forces because of service-connected disability; or the surviving spouse of such resident; and
 - (c) The surviving spouse of any resident who suffered a service-connected death.
- II. The veterans' exemption shall be \$50 subtracted each year from the property tax on his residential property. However, the surviving spouse of a resident who suffered a service-connected death may have the sum subtracted from property tax on any real property.
- III. If a person receiving the exemption as a surviving spouse marries a person who is not a veteran of a qualifying war or armed conflict, the exemption shall terminate.

- IV. Service in a qualifying war or armed conflict shall be as follows:
- (a) "Spanish War" between April 21, 1898 and April 11, 1899;
 - (b) "Phillippine Insurrection" between April 12, 1899 and July 4, 1902, extended to July 15, 1903 for service in the Moro Provinces;
 - (c) "Boxer Rebellion" between June 16, 1900 and May 2, 1901;
 - (d) "World War I" between April 6, 1917 and November 11, 1918, extended to April 1, 1920 for service in Russia; provided that military or naval service on or after November 12, 1918 and before July 2, 1921, where there was prior service between April 6, 1917 and November 11, 1918 shall be considered as World War I service;
 - (e) "World War II" between December 7, 1941 and December 31, 1946;
 - (f) "Korean Conflict" between June 24, 1950 and January 31, 1955;
 - (g) "Viet Nam Conflict" between December 22, 1961 and May 7, 1975 and
 - (h) "Viet Nam Conflict" between July 1, 1958 and December 22, 1961, if the resident earned the Viet Nam service medal or the armed forces expeditionary medal.
- V. Upon its adoption by a city or town as provided in RSA 72:28-a, the veterans' exemption shall be \$100 subtracted each year from the property tax on the veteran's residential property. However, the surviving spouse of a resident who suffered a service-connected death may have the sum subtracted from the property tax on any real property. (Added 1989, 64:1, eff. June 18, 1989.)
- VI. Upon adoption by a city or town as provided in RSA 72:28-a, service in a qualifying war or armed conflict shall be as follows:
- (a) "Spanish War" between April 21, 1898, and April 11, 1899;
 - (b) "Phillippine Insurrection" between April 12, 1899, and July 4, 1902, extended to July 15, 1903, for service in the Moro Provinces;
 - (c) "Boxer Rebellion" between June 16, 1900, and May 2, 1901;
 - (d) "World War I" between April 6, 1917, and November 11, 1918, extended to April 1, 1920, for service in Russia; provided that military or naval service on or after November 12, 1918, and before July 2, 1921, where there was prior service between April 6, 1917, and November 11, 1918, shall be considered as World War I service;
 - (e) "World War II" between December 7, 1941, and December 31, 1946;
 - (f) "Korean Conflict" between June 25, 1950, and January 31, 1955;
 - (g) "Viet Nam Conflict" between December 22, 1961, and May 7, 1975;
 - (h) "Viet Nam Conflict" between July 1, 1958, and December 22, 1961, if the resident earned the Viet Nam service medal or the armed forces expeditionary medal:
 - (i) Any other war or armed conflict that has occurred since May 8, 1975, and in which the resident earned an armed forces expeditionary medal. (Added 1989, 64:1, eff. June 18, 1989. Amended 1989, 270:1, eff. July 25, 1989.

RSA 72:28-a PROCEDURE FOR ADOPTION

- I. Any town or city may adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption in the following manner:
 - (a) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. In a city, the legislative body may consider and act upon the question in accordance with their normal procedures for passage of resolutions, ordinances, and other legislation. The legislative body of a city may vote to place the question on the official ballot for any regular municipal election, or, in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition signed by 5 percent of the registered voters.
 - (b) The selectmen or city council shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.
 - (c) The wording of the question shall be: "Shall we adopt the provisions of RSA 72:28, V and VI for an optional veterans' exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is \$100, rather than \$50."
- II. If a majority of those voting on the question vote "YES", RSA 72:28, V and VI shall apply within the city or town on April 1 next following such vote for the tax year beginning on that date.
- III. If the question is not approved, the question may later be voted upon according to the provisions of RSA 72:28-a, I.
- IV. (a) Any town or city which has adopted RSA 72:28, V and VI may consider rescinding its action in the manner described in RSA 72:28-a, I(a) and (b). The wording of the question shall be the same as set out in RSA 72:28-a, I(c), except the word "adopt" shall be changed to "rescind."
 - (b) If a majority of those voting on the question vote "YES", then as of April 1 next following the action taken to rescind, RSA 72:28, V and VI shall not apply within the town or city.

RSA 72:35 SERVICE CONNECTED TOTAL DISABILITY

- I. Any person who has been honorably discharged from the military service of the United States and who has a total and permanent service connected disability, or who is a double amputee or paraplegic because of a service connected injury, or the surviving spouse of such a person if such surviving spouse has not remarried shall receive a yearly exemption in the amount of \$700. of property taxes on his residential property.

- II. The exemptions in paragraph I may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The exemption may be applied to any land or building appurtenant to the residence or to manufactured housing if that is the principal place of abode.
- III. Any person applying for the exemption granted in paragraph I shall furnish sufficient proof to the assessors or selectmen that the disability on which the exemption is based is service connected. The exemption shall be divided evenly among the number of tax payments required annually by the town or city so that a portion of the exemption shall apply to each tax payment to be made.
- IV. (a) Upon its adoption by a city or town as provided in RSA 72:35-a, any person who has been honorably discharged from the military service of the United States and who has a total and permanent service-connected disability, or who is a double amputee or paraplegic because of a service-connected injury, or the surviving spouse of such a person if such surviving spouse has not remarried, shall receive a yearly exemption in the amount of \$1,400 of property taxes on his residential property.
- (b) The exemptions in subparagraph (a) may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The exemption may be applied only to property which is occupied as the principal place of abode by the disabled person or the surviving spouse. The exemption may be applied to any land or buildings appurtenant to the residence or to manufactured housing if that is the principal place of abode.
- (c) Any person applying for the exemption granted in subparagraph (a) shall furnish sufficient proof to the assessors or selectmen that the disability on which the exemption is based is service connected. The exemption shall be divided evenly among the number of tax payments required annually by the town or city so that a portion of the exemption shall apply to each tax payment to be made.

RSA 72:35-a PROCEDURE FOR ADOPTION

- I. Any town or city may adopt the provisions of RSA 72:35, IV for an optional veterans' disability exemption in the following manner:
- (a) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. In a city, the legislative body may consider and act upon the question in accordance with their normal procedures for passage of resolutions, ordinances, and other legislation. The legislative body of a city may vote to place the question on the official ballot for any regular municipal

election, or, in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition signed by 5 percent of the registered voters.

(b) The selectmen or city council shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.

(c) The working of the question shall be: "Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is \$1,400, rather than \$700."

II. If a majority of those voting on the question vote "YES, RSA 72:35, IV shall apply within the city or town on April 1 next following such vote for the tax year beginning on that date.

III. If the question is not approved, the question may later be voted upon according to the provisions of RSA 72:35-a,I.

IV. (a) Any town or city which has adopted RSA 72:35, IV may consider rescinding its action in the manner described in RSA 72:35-a,I(a) and (b). The wording of the question shall be the same as set out in RSA 72:35-a,I (c), except the word "adopted" shall be changed to "rescind."

(b) If a majority of those voting on the question vote "YES", then as of April 1 next following the action taken to rescind, RSA 72:35, IV shall not apply within the town or city.

RSA 72:43-h OPTIONAL ADJUSTED EDLERLY EXEMPTION

PROCUDURE FOR ADOPTION

I. Any town or city may adopt optional adjusted elderly exemptions of its own choosing which differ from the amount of the exemptions provided in RSA 72:43-f. Optional adjusted elderly exemptions shall be adopted in the following manner:

(a) In a town, the question shall be placed on the warrant of a special or annual town meeting under the procedures set out in RSA 39:3, and shall be voted on by ballot. In a city, the legislative body may consider and act upon the question in accordance with their normal procedures for passage of resolutions, ordinances, and other legislation. The legislative body of a city may vote to place the question on the official ballot for any regular municipal election, or, in the alternative, shall place the question on the official ballot for any regular municipal election upon submission to the legislative body of a petition

signed by 5 percent of the registered voters.

- (b) The selectmen or city council shall hold a public hearing on the question at least 15 days but not more than 30 days before the question is to be voted on. Notice of the hearing shall be posted in at least 2 public places in the municipality and published in a newspaper of general circulation at least 7 days before the hearing.
- (c) The wording of the question shall be: "Shall we adopt optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, (here insert dollar amount); for a person 75 years of age up to 80 years, (here insert dollar amount); for a person 80 years of age or older, (here insert dollar amount). To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years, In addition, the taxpayer must have a net income of less than \$10,000 or, if married, a combined net income of less than \$12,000; and own net assets not in excess of (here insert dollar amount) excluding the value of the person's residence."
- (d) The exemption amounts inserted in the above question shall in no case be less than the exemption amounts for each respective age group which were in effect in the municipality prior to the initial adoption of the optional adjusted elderly exemption. The amount of net assets owned inserted in the above question shall in no case be less than the amount of net assets owned which is in effect in the municipality prior to the initial adoption of the optional adjusted elderly exemption.

II. If a majority of those voting on the question vote "YES", the optional adjusted elderly exemptions shall apply within the town or city on the date set by the selectmen or the city council; provided, however, that upon adoption the increased exemptions shall take effect no later than the April 1 next following the referendum.

III. If the question is not approved, the amount of the exemption and the income and asset limitation provisions previously adopted by the town or city shall remain in effect. The question may later be voted upon according to the provisions of this section.

IV. (a) A Municipality may change the amount of the optional adjusted elderly exemption in the manner described in paragraph I. The wording of the question shall be the same as set out in subparagraph I(c), except the word "adopt" shall be changed to "modify".

- (b) No town or city shall modify the optional adjusted elderly exemption pursuant to subparagraph (a) within 5 years of any prior adoption or modification, unless the city or town performs a reappraisal of real estate during that 5 year period.

RSA 79-A:25 DISPOSITION OF REVENUES

- I. Except as provided in paragraph II, all money received by the tax collector pursuant to the provisions of this chapter shall be for the use of the town or city.
- II. The legislative body of the town or city may, by majority vote, elect to place the whole or a specified percentage of the revenues of all future payments collected pursuant to this chapter in a conservation fund in accordance with RSA 36-A:5, III. The whole or specified percentage of such revenues shall be deposited in the conservation fund at the time of collection.
- III. If adopted by a town or city, the provisions of RSA 79-A:25, II shall take effect in the tax year beginning on April 1 following the vote and shall remain in effect until altered or rescinded pursuant to RSA 79-A:25. IV.
- IV. In any town or city that has adopted the provisions of paragraph II, the legislative body may vote to rescind its action or change the percentage of revenues to be placed in the conservation fund. Any such action to rescind or change the percentage shall not take effect before the tax year beginning April 1 following the vote.

RSA 80:42-a RETENTION FOR PUBLIC USE

Towns and cities may retain and hold for public uses real property the title to which has been acquired by them by tax collector's deed under the provisions of RSA 80:42, upon vote of the town meeting or city council approving the same.

CLASS V HIGHWAY REQUIREMENTS

Item	Arterial Streets	Collector Streets	Minor Streets
a) Minimum width	80'	60'	50'
b) Minimum width of pavement	52'	36'	24'
c) Minimum grade	1%	1%	1%

Diameter of turn-around at enclosed end			
Property Line (minimum)			125'
Pavement (minimum)			100'
o) Property line radii at intersection (minimum)			10'
p) Curb radii at intersections			
90° intersections		--25'--	
Less than 90° intersections		--30'--	
q) <u>Street in Cut and Fill</u>			
Side slopes not steeper than 3' horizontal and 1' vertical, graded, loamed, (4" compacted) and seeded as required.			
r) <u>Rough Grading of streets</u>			
Streets shall be rough-graded to the full width of the right-of-way.			
s) <u>Adequate Drainage of Streets</u>			
All streets shall be provided with adequate drainage facilities to provide for the removal of storm water to prevent flooding of the pavement and erosion of adequate surfaces, minimum 4/1 grade.			
t) <u>Street Curbs and Gutters, at Discretion of Planning Board</u>			
Where curb and gutter are not required, stabilized shoulders and proper drainage shall be the responsibility of the sub-divider in compliance with Town requirements.			
u) <u>Esplanade Areas, Topsoil, Seeding</u>			
Upon completion of development of any lot all esplanade or			

planting strip areas at sides of streets shall receive at least 4" of compacted good top-soil (loam) free of stones over one inch in diameter, sods, and clay.

v) Seeding

Planting strips shall be seeded with first quality perennial lawn seed.

1989 SCHOOL DISTRICT MEETING

March 6, 1989

The annual School District meeting was called to order by Moderator Robert Johnson, at 7:05 P.M. at Coe-Brown Academy. There were approximately 85 people present, including Supt. Barry Clough, Asst. Supt. Mary Lyster, Principal Ann Ringling, and Asst. Principal Beth Hertzfeld.

ARTICLE 1: To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto. School Board Member Sarah Smith moved to accept this Article as written. Seconded by School Board Member Rebecca Rule. Passed by verbal vote.

ARTICLE 2: To see if the District will vote to establish a contingency fund in accordance with RSA 198: 4-b, to meet the unanticipated expenses that may arise during 1989-90 school year, and further, to see if the District will vote to raise and appropriate the sum of five thousand dollars (\$5,000.00) for such contingency fund (\$2,500.00 recommended by the Budget Committee). Sarah Smith moved that we accept \$5,000.00. Seconded by Becky Rule. After much discussion, Jean Johnson, Chairwoman for the Budget Committee, amended the Article, to reduce this appropriation to \$2,500.00. A vote by show of hands was taken for the amendment. Yes - 50; No - 32. Sarah Smith explained the need for a contingency fund. Moderator Johnson called for a vote of the Article as amended. A ballot vote was asked for. Yes - 49; No - 56. The motion did not pass.

ARTICLE 3: To see if the School District will vote to raise and appropriate a sum of money not to exceed five thousand dollars (\$5,000.00) from the unencumbered balance at the end of the 1988-89 fiscal year. Said sum of money will be deposited in the School District Capital Reserve Fund for the purpose of financing capital improvements as well as all or part of the cost of new construction for the School District in accord with the provisions of RSA Ch 35. Joann Bailey moved to change the Article to read: "That the School District will vote to raise and appropriate five thousand dollars (\$5,000.00). Said sum of money will be deposited in the School District Capital Reserve Fund for the purpose of financing capital improvements as well as all or part of the cost of new construction for the School District in accord with the provisions of RSA Ch 35." Seconded by Senator Bill Johnson. After much discussion, a vote by show of hands was asked for. Yes - 31; No - 56. The motion did not pass. Bruce Farr moved that we indefinitely postpone Article 3. Seconded by George Stanhope. Passed by verbal vote.

ARTICLE 4: To see if the School District will vote to raise and appropriate a deficit appropriation to be added to the

original 1989 appropriation, the sum of \$46,000.00 to be made available to the School District prior to July 1, 1989, in order to meet unanticipated obligations caused by mandated special education tuition, oil tank replacement costs and High School tuition (Deficit appropriation). Becky Rule moved that the sum be changed to \$54,000.00. This was seconded by Sarah Smith. Becky explained that \$29,000.00 would be for Special Education, \$8,500.00 for Coe-Brown, \$8,500.00 for two oil tank replacements. There are two tanks instead of one that will have to be removed from the ground and replaced. Also, \$8,500.00 for magnetic fire door latches will have to be installed in the new building. Robert Madison amended Article 4, to strike out "mandated". Seconded by Bill Johnson. Becky Rule explained the necessary cuts that will have to be made if this Article is not passed. George Stanhope made an amendment to "substitute" \$8,500.00 for the \$54,000.00. Seconded by Allan "Joe" Holmes. Moderator Johnson called for a vote for Robert Madison's amendment, to delete the word mandate. This was passed by a verbal vote. Moderator Johnson called for a vote on the main motion, "To raise the sum of \$54,000.00 for this Article." A ballot vote was called for. Yes - 54; No - 49. Motion passed.

ARTICLE 5: To see if the School District wishes to raise and appropriate the sum of \$12,000.00 for the purpose of completing the Town Recreation Area located behind the Ridge School. (By Petition - recommended by the Budget Committee). Becky Rule moved this article and was seconded by Sarah Smith. Passed verbally with no discussion.

Jean Johnson moved to recess this meeting to Friday, March 17th, 1989 at 7:00 P.M. at the Elementary School. Seconded by Don Post. Passed verbally. Recessed at 10:10 P.M.

MARCH 17, 1989

The recessed meeting was called to order by Moderator Johnson at 7:05 P.M. at the Northwood Elementary School. The ground rules were explained by the Moderator.

ARTICLE 6: To see if the School District will vote to raise and appropriate the sum of \$2,979,041.89 for the support of schools, for the salaries of school district officials, agents, and employees, for capital construction and for the payment of statutory obligations of the School District; said sum of money includes monies raised in Articles 3-4-5. Sarah Smith moved to reduce this amount to read \$2,977,041.89, and this amount to include Articles 4 and 5. She explained the need for this amount, that the budget presented to the Budget Committee was very lean, and to reduce it would mean many cuts would have to be made in various programs. Some would have to be totally eliminated. Motion was made by Sarah Smith and seconded by Becky Rule. Don Post amended this figure to read \$2,874,445.00. This was seconded by Robert Herron. Jean Johnson, Chairwoman for the Budget Committee, amended Mr. Post's figure to read \$2,875,324.00, and stated that this does not include \$54,000.00

appropriated in Article 4 (for deficit appropriations). Jean Johnson stated that only \$12,000.00 for the playground, Article 5 be included. After much confusion, Moderator Johnson asked to have all motions withdrawn. Sarah Smith then moved that \$2,923,041.89 be raised and this amount would include Article 5, only. Seconded by Becky Rule. Jean Johnson moved to amend this figure to \$2,872,824.00. Seconded by Bruce Farr. Robert Madison asked that \$1,500.00 be added to that figure to be used for a computer for the bookkeeper, making the amount to be raised to \$2,874,324.00. Seconded by Charles Johnson. Moderator Johnson asked for a vote by show of hands on the amendment, only. Yes - 44; No - 69. The motion did not pass. Then a ballot vote was asked for Jean Johnson's amendment. No - 70; Yes - 67. The amendment did not pass. Moderator Johnson asked for a show of hands on "to limit debates". That must have a 2/3 vote. Yes - 64; No - 40. The motion did not pass. Moderator Johnson asked for a vote on Sarah Smith's main motion, to raise \$2,923,041.89 for the support of schools, for the salaries of school district officials, agents and employees, for capital construction, and for the payment of statutory obligations of the school district; said sum of money includes the monies raised in Article 5. A ballot vote was called for. Shortly after people started casting their ballots, the fire alarm rang at approximately 9:35 P.M. and the building was evacuated. It was caused by a faulty alarm, from dust. The casting of ballots resumed at 9:55 P.M. A total of 128 votes were cast. Yes - 87; No - 41. The motion prevails and \$2,923,041.89 passed. Said sum of money includes Article 5.

ARTICLE 7: To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid or other funds for educational purposes, as may now or hereafter be forth coming from the United States Government and/or State agencies, private agencies and/or other sources in accord with the provisions of RSA 198:20-b. Charles Johnson moved that we accept this Article as read. Seconded by Don Post. Passed by verbal vote.

ARTICLE 8: To choose agents and committees in relation to any subject embraced in this Warrant. Sarah Smith moved that we indefinitely postpone this Article. Seconded by Becky Rule. Passed by verbal vote.

ARTICLE 9: To transact any other business which may legally come before this meeting. Robert Madison asked about the budget increase in the S.A.U. office. This was explained by Sarah Smith. Becky Rule introduced the three new members of the School Board, Linda Kramas, Charles Johnson, and Diana Foster.

The Meeting was adjourned at 10:30 P.M.

A True Copy Attest:

Jean W. Lane, Clerk

SPECIAL NORTHWOOD SCHOOL DISTRICT MEETING

June 8, 1989

A special School District meeting was called to order by Moderator Robert Johnson, at 7:05 P.M. Approximately 60 people were present including Supt. Barry Clough, Asst. Supt. Mary Lyster, Principal Elizabeth Hertzfeld, School Board Members Rebecca Rule, Sarah Smith, Charles Johnson, Diana Foster, and Linda Kramas, and Budget Committee Chairwoman Jean Johnson.

ARTICLE 1: To raise and appropriate the sum of \$61,242.90 to fund the increased cost items relating to Teachers salaries and fringe benefits for the 1988-89 School year. Becky Rule moved that we accept Article 1 as read. Seconded by Linda Kramas. Sarah Smith explained the need for passing this article as the teachers have been working without a contract this year. After some discussion, a ballot vote was called for. Yes - 48; No - 31. A total of 79 votes were cast. The Article was accepted.

ARTICLE 2: To raise and appropriate the sum of \$170,165.83 to fund the increased cost items relating to teachers salaries and fringe benefits for the 1989-90 School year. This Article was moved by Becky Rule and seconded by Linda Kramas. Marion Knox explained the financial status of the Town of Northwood, and that the Town has many outstanding property taxes that people are having difficulty paying. She amended this Article "to reduce the proposed 1989-90 budget \$11,235.50 to eliminate the increase in benefits and return them to the 1988-89 figure." The bottom line of this Article would then read \$158,930.33. This was seconded by Marcia Tasker. Sarah Smith explained a package contract. After some discussion, a ballot vote was taken. 88 voted--Yes - 44; No - 44. A tie vote, therefore the amendment did not pass. A ballot vote was taken on the original motion as read to appropriate the sum of \$170,165.83. Yes - 48; No - 43. A total of 91 votes were cast. The original Article was passed.

Moderator Johnson stated that the Town has 1709 registered voters and less than 5% were at the meeting. Joann Bailey thanked George Stanhope for his active interest in the Town and School affairs, stating that she did not always agree with him, but he was always active in Town and School affairs. He will be moving to another State, in the near future. Thank-you, George! Meeting was adjourned at 8:50 P.M.

Jean W. Lane, Clerk

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Northwood qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said District on the 13th day of March 1990, at 10:00 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.

To choose a Member of the School Board for the ensuing two years.

To choose a Member of the School Board for the ensuing two years.

To choose a Member of the School Board for the ensuing one year.

4. To choose a Treasurer for the ensuing year.

Given under our hands at said Northwood this 2nd day of February 1990.

The State of New Hampshire

To the Inhabitants of the School district in the town of Northwood qualified to vote in district affairs:

You are hereby notified to meet at the Northwood School in said district on the 8th day of March 1990, at 7:00 o'clock in the afternoon, to act upon the following subjects:

1. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.
2. To see if the school district will vote to raise and appropriate the sum of ten thousand dollars (10,000) to replace the floor in the multi-purpose room.
3. To see if the School District will approve the Coe-Brown Academy tuition contract as negotiated for a period of five years commencing 1 July 1990 subject to the approval of the State Board of Education in accord with RSA 194:22; with the District having the option to renew the contract for a five year period.
4. To see if the School District will vote to raise and appropriate the amount of seventeen thousand three hundred eighty-eight dollars (\$17,388) for the purpose of providing transportation for high school students attending Coe-Brown Academy.
5. To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, for capital construction, and for the payment of statutory obligations of the school district.
6. To see if the School District will vote to raise and appropriate a sum of money not to exceed five thousand dollars (\$5,000) from unencumbered balance at the end of the 1990-91 fiscal year. Said sum of money will be deposited in the School District Capital Reserve Fund for the purpose of financing capital improvements as well as all or part of the cost of new construction for the School District in accord with the provisions of RSA Ch. 35.
7. To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forth coming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.
8. We the residents of the Northwood School District find the State of New Hampshire to be negligent in the funding of public education, thus creating an undue burden on the local property tax payers. We demand that the State of New Hampshire Legislature begin in earnest to study methods to substantially increasing State aid to education.
9. To choose agents and committees in relation to any subject embraced in this warrant.

10. To transact any other business which may legally come before this meeting.

Given under our hands at said Northwood this 5th day of February 1990.

The enrollment by grades in the Northwood Elementary School as of October 2, 1989, was as indicated in the chart below:

Grade	K	1	2	3	4	5	6	7	8	Total
Pupils	49	52	63	42	39	38	34	37	37	393

Northwood pupils attending secondary school outside the district are as follows:

Grade	9	10	11	12	Total
Coe-Brown	47	30	32	27	136
Dover Voc.	2	1	0	2	5
Oyster River	1	0	5	0	6
TOTALS:	50	31	37	29	147

The transition to Fall testing using the California Achievement Tests was completed in October. The School Board has received Board reports which are very helpful in determining strengths and areas in need of improvement. An important component of the Board reports is a graphic display which is provided to show the comparison between achievement expectations vs. actual achievement. This data helps to determine school wide curriculum strengths and weaknesses in relation to predicted achievement. Northwood students are achieving at or above anticipated scores in science at the upper grade levels. Mechanics of language and math computation scores indicate a need to continue to improve as was noted in recent SRA testing. Curriculum in Language Arts and Math have been revised and steps are being taken to continue to improve in these areas. The State of New Hampshire will be shifting from Fall to Spring testing in grades 4 and 8. The Districts will follow suit, therefore the next battery of tests will be administered in Spring, 1991.

One instructional area that I believe we must begin to consider addressing at some future date is foreign language instruction at the elementary level. The value of instituting such programs has been clearly demonstrated through research. In her article entitled WHICH FOREIGN LANGUAGE SHOULD STUDENTS LEARN?, Myriam Met states that, "Studies of second language acquisition in childhood (both in natural and in school settings) have shown that cognition is enhanced as children acquire an additional language. Several studies have shown increased (1) metalinguistic awareness (the recognition of language as a system and a communication device) (Hakuta 1984, BenZeev 1977); (2) reasoning ability (BenZeev 1977); (3) verbal intelligence (Peal and Lambert 1962); and (4) cognitive flexibility and

divergent thinking(Landry 1974). Students who study a foreign language in elementary school score higher on standardized tests of reading/language arts than do matched subjects who do not take a foreign language (Rafferty 1986, Garfinkel and Tabor 1987)." Met also indicates that there is an overwhelming "....disparity between the number of Japanese salespersons in the U.S. who speak English (about 10,000) and the number of American salespersons in Japan who speak Japanese (fewer than 1,000). In fact, the Japanese have already identified Third World markets of 20 years from now and have started to introduce the appropriate languages in their schools (Lewis 1987)." If our children are to be competitive in a rapidly changing world and hence, our society, we must believe to think in terms of foreign language instruction in our elementary schools.

The topic of schools and the manner in which we fund our schools is a perennial issue of discussion and one which I would like to take the opportunity to address once again. Presently local taxpayers pay nearly 90% of the total monies spent on public education in New Hampshire. The State provides approximately 7% and the Federal Government approximately 3% of the public funding of education in the State. The need for a comprehensive restructuring of State revenue raising methods and fund distribution to cities and towns is critically important. Since the Legislature has reconvened, I strongly urge all citizens to contact their legislators and urge adoption of state tax reform specifically designed to provide local property tax relief.

The School Administrative Unit staff continues to stand prepared to assist the District with what I view to be an increased need to study the implications of regional growth, curricula review and revision, staff selection and supervision, business management, transportation, special education program development and administration, legal matters, support for cooperative school district study committees and building committees, continuing our commitment to achieving excellence in the educational opportunities available to our children, preparation of bond issue presentations, administration of construction projects, budget development, negotiations, development and revision of school board goals, and working with local planning boards regarding the development of capital improvement plans. These examples are only a few of the areas in which the office is continuing to provide administrative and instructional support services.

On behalf of the members of School Administrative Unit #44 Staff, I wish to thank the members of the School Board and Ms. Hertzfeld and her outstanding staff for their untiring efforts and continued support on behalf of our children.

Respectfully submitted,

Barry L. Clough
Superintendent

SCHOOL ADMINISTRATIVE UNIT #44

PRINCIPAL'S REPORT

1989 - 1990

The enrollment at the Northwood School is as follows:

K - 49	4 Classes
1 - 54	3 Classes
2 - 67	3 Classes
3 - 45	2 Classes
4 - 40	2 Classes
5 - 41	2 Classes
6 - 33	2 Classes
7 - 37	2 Classes
8 - 36	2 Classes

TOTAL: 402

The enrollment this year fluctuated slightly as families move out of the area and new families move in. We are looking at a projected enrollment of 416 without any growth. There will be a need for an additional classroom for third grade and an additional staff member.

Northwood School Mission Statement

The mission of the Northwood School is to assure that all students acquire knowledge and develop the skills and work habits to enable them to be contributing members of their community and to function successfully in society. This mission is best accomplished when students, school personnel, parents and community members maintain high expectations, create a positive school climate, provide a safe orderly environment and promote effective collaboration between school, home and community.

School Board Goals

1. To research and develop a Middle School model.
2. To provide increased levels of in-service education and staff development based on individual goals. Budget for in-service education, recognize individual achievements, work with Administration on school calendar which reflects this goal.
3. To review, revise, articulate and coordinate curricula as designated by the Administration in cooperation with the Faculty.

Report to the Board by November 1st.

4. To continue to improve school climate, supporting school/ community initiatives for a clean and attractive building, positive discipline and positive child image-building. To be aware of and recognize the individual achievements of children and staff.
5. To support adequate funding.
6. To participate in and support the recommendations for improvement from the SIP Team, budgeting where necessary to carry out improvements.
7. To develop a five year, long-range plan for facilities and programs in conjunction with Administration and neighboring school districts to meet the needs of students.
8. To develop a network of communication with Coe-Brown Northwood Academy.
9. To continue communication with all constituents:
 - a. Support Administrative initiatives concerning PTA, Volunteer Program and weekly news bulletins.
 - b. Report significant Board news to the press.
 - c. Maintain a good working relationship with PTA, Volunteer Program and the Press.
 - d. Recognize individual and group achievements related to the school/community coalition.
10. To encourage use of the school as a community center.
11. To implement an adult education program including Adult Basic Education.
12. To continue to support the development of enrichment activities.
13. To reach closure on a Teacher contract.
14. To support environmental awareness and instruction.
15. To support awareness programs regarding substance abuse issues.
16. To resolve duties issues.
17. To achieve having a computer in every classroom.

School News

The students, staff and residents of Northwood are enjoying the new playground and nature trail behind the school. Both the playground and the nature trail were made possible by the hard work of the Northwood P.T.A. and the generosity of town residents.

The school building is now one color. On a Sunday in October, volunteers spent the day painting the entire school building. In the Spring, we will be putting on the finishing touches and replacing the Northwood School sign in the front.

Last year's Student Council purchased shrubs and flowers for the front of the school. Northwood Gardens donated the time necessary for landscaping. The shrubs and new paint add a fresh and colorful look to the school.

The school has its stage back! The History Fair held in December, put on the production, The Colony of Jamestown. This play was written by eighth grade students. The December Holiday Program and the first quarter Honor Roll Assembly were also held on the stage. Other plays will be held during the year.

The seventh and eighth graders are experiencing a new reading program. Throughout the year each student is involved in four sections. The students switch at each quarter. The topics of these classes are: Reading through Newspapers, Reading through Study Skills; Reading through Problem Solving and Reading through Literature.

The sixth grade class has been involved in the State Police Program DARE (Drug Abuse and Resistance Education) since December. The students will graduate from this program in January. The program has been very successful.

School personnel will be instituting the Here's Looking At You 2000 Program in January to several elementary classrooms. This statewide program deals with decision making strategies and self-esteem.

Seventeen seventh and eighth grade students will be traveling to Washington D.C. in May. The students are financing the trip themselves through fundraising.

The school staff is actively reassessing the math and science curriculums as well as monitoring the other academic curricula.

In closing, I would like to thank the students, parents and residents of Northwood for their cooperation and support.

Respectfully submitted,

Elizabeth N. Hertzfeld, Principal

REPORT FROM COE-BROWN NORTHWOOD ACADEMY

This report details Coe-Brown's present status as a first-class high school, some recent changes in facilities and programs, and some ideas under consideration for the future.

CBNA is the high school attended by most students from the contract towns of Northwood and Strafford. In addition, CBNA serves students from several other neighboring towns. CBNA is approved as a comprehensive public academy by the N. H. Dept. of Education and the New England Association of Secondary Schools and Colleges.

As of December 1989, CBNA's enrollment was 329 students. Northwood students accounted for 136; Strafford, 93; Deerfield, Nottingham, 41; Barrington, 8; and other towns, 14. Because of mutual commitments and interests, a particularly close working relationship exists between CBNA's Board of Trustees and the School Boards of Northwood and Strafford.

Enrollment at CBNA has grown substantially in recent years. With this growth, both physical facilities and curricular and co-curricular offerings have expanded. In 1988, CBNA dedicated its newest major addition. Quite fittingly, the Biology Room of the new addition was dedicated to Annie Giles, and the Multi-Purpose Room was dedicated to Gladys Gardner. Both were prominent for many years in educational activities in Northwood.

The new addition's Multi-Purpose Room is available (along with the gymnasium) for public use. The structure also provided one of the most modern and best equipped science facilities in the area. In 1989, CBNA remodelled existing space into a separate facility for band and music instruction. CBNA also resumed the teaching of Latin in 1989, and became one of the few area high schools to offer this subject.

A substantial percentage of CBNA graduates are fully prepared to go on to post-secondary education. At the same time, graduates are being better trained for New Hampshire's growing job market.

The quality of CBNA's program of instruction, services, and facilities is maintained by a teaching faculty of 36, and a support staff of 11 people, who are both qualified and dedicated. Faculty and staff additions have recently grown at a rate of one to two full-time equivalents per year. With a low ratio of students to staff, a strong point in CBNA's program is the greater individual attention students receive. Offerings at CBNA in the 1989-90 year consist of 115 courses, including broad selections in such Departments as Languages, Mathematics, Music and Arts, Sciences, Social Studies, Special Education, and Vocational Education. A well equipped library and computer system support the program of instruction.

And, CBNA has a strong program of counselling available to its students, with proportionately more resources devoted to this than most other schools.

Students at CBNA also have a variety of co-curricular activities from which to choose. These include SADD (Students Against Drunk Driving); Science, Computer, Drama, Foreign Language, and Ski Clubs, and a Math Team; FFA, FHA, Granite State Challenge, National Honor Society, Yearbook, Newspaper, Band and Chorus, and Student Council. Also, girls varsity soccer, boys varsity and JV soccer, varsity and JV volleyball, girls and boys varsity and JV basketball, cheerleading, varsity and JV baseball, and varsity softball. CBNA also has a recently completed personal exercise trail.

CBNA's faculty have begun to work closely with the staffs of elementary and middle schools in the area to better coordinate programs of instruction in subject matter areas. CBNA has in place a strong anti-substance abuse policy, and encourages its students to maintain a drug-free school. Continuing an ongoing process begun two years ago, surveys will be made in 1990 of recent graduates and parents of current students in order to obtain their views on how CBNA can further improve its programs. CBNA will also be asking local residents about their interests in using CBNA athletic facilities, and in a possible program of non-credit and credit adult education courses and GED tutoring. Ideas under consideration for possible future action, depending on interests and resources, include: a child care center for teachers, staff, and for students and young adults who may wish to continue or resume school attendance, tennis courts, and outdoor track and field facilities.

The CBNA Board of Trustees consists of local people who take quality education seriously. They would welcome your advice and help in making your high school better able to fulfill tomorrow's educational needs. If you haven't visited CBNA recently, or have not heard about its current programs, please check it out for yourself. A copy of CBNA's complete program of studies is also available upon request. For further information, please contact a member of the Coe-Brown Board of Trustees.

ANNUAL HEALTH SERVICES REPORT

SCHOOL YEAR 1988 - 1989

September 1988 started the school year with 378 students. Robert Lord, M.D. from Farmington, N.H. did 54 sport physicals. Saddleback Lion's Club conducted their annual Eye and Ear Clinic which was attended by 64 students with 8 of them being retested. Kindergarten registration was held and 50 children were registered for the '89-'90 school year.

During the year, there were 1825 visits to the health office made by students. 827 head checks were done and 27 cases of head lice were found. Most of the complaints were respiratory diseases (166), G.I. disorders (220), and injuries (825). I made 14 home visits and had parent contact with 184.

Health screenings were done on 389 students. This consisted of height, weight, eyes and ears on 389 with 170 students B/P checked and random scoliosis exams.

January 1989, I attended the School Nurse Achievement Program, a 40 hour credit course at UNH. In April there was a two day AIDS Training Course put on by the American Red Cross and in May went to the two day New England Conference of School Nurses where Thomas Plaut, M.D. was the featured speaker with his Asthma Update.

During the year, I attended workshops on Nutrition, Asthma, Epilepsy, Common Sports Injuries, Steriod Use by the Athlete and The Governor's Conference on Kids-In-Crisis.

In June 1989, I attended a 3 day Conference on Drug and Alcohol Rehabilitation, "Here's Looking At You, 2000" in Meredith, N.H. Also present were Annie Gasowski and Peter Warburton. This is being taught in our school at the present time.

Two items of concern for the '89 - '90 school year:

1. AIDS education for students, staff, parents and community members.
2. Revaccination against measles for junior high or middle school students which is recommended by the American Academy of Pediatrics. Also, state health officials are planning to make revaccination a requirement, but not before next year. Children are not fully protected against measles if they received their original vaccination before 15 months of age, according to the Division of Public Health.

Many thanks to everyone who helped make this school year pleasant and successful for our students and personnel.

Respectfully submitted,

Norene Sauls, R. N.
